## **Mid-Prairie High School**

### **What is going well?**

MPHS Speech Individual and Group Teams were both honored for distinguished academic achievement by the Iowa High School Speech Association for a cumulative GPA of 3.25 or higher.

Preparation for Graduation is in full swing. We are rotating our ceremony in the gym 90 degrees. This is due to our bleachers no longer being able to pull out in 2 sections on the south side of the gym. Also, this will allow our band and choir performances to be in the front by the stage. If our calculations are correct, we will have the same amount of seating. Graduation is Sunday, May 28 at 1:30 pm.

### **What are we improving?**

Teachers are continuing work to develop and implement Learning Targets for next school year. This is a slow, but very beneficial process. This will help to give students, parents, and teachers focus and clarity on what will be learned each day.

### **Attendance -**

Average Daily Attendance (ADA) April 10 - April 21, 2023 - 95.6%
