### **Project Heart Penny Drive-**

Mrs. Gilmore's Project Heart class has been learning about philanthropy and have met lots of local and global philanthropists who are changing the world! Her class has decided to do a fundraiser to support Fundacion Rescate, which is a foster home in the jungle in Ecuador. We have received an Impact Fund Grant which will match all of our fundraisings. The kids have planned two fundraisers:

**January 27th-February 10th-Penny Drive** Click [here](#) for more information on the Penny Drive

### **Options Post**

Here is the [digital version](#) of the February edition of the Options Post. Please note this important excerpt:

A valentine exchange will be held on the 10th. Any student in grades 3-8 interested in participating should bring a decorated box or bag and valentines for at least their first period class. The first part of the exchange will occur during first period classes, and after that boxes/bags will be placed in the gym for the schoolwide swap.

### **Options Enrollment**

Enrollment records for the 2023-24 school year were just created by the school district. We are presuming that all students currently enrolled at PSD Options are returning next year, with the exception of 8th grade students. If this is not the case, please notify our registrar, Amy Boyd, as soon as possible. You can contact her by email at [aboyd@psdschools.org](mailto:aboyd@psdschools.org) or by phone at 970.488.4608.

If you have any feedback that would assist us in continuing to grow our Options program for next year and beyond, we would love to hear from you. We love to collaborate with parents and welcome suggestions and your help in getting the word out about our program.

### **Calendar Information**

Although PSD Options tries to follow the district calendar as much as possible, we do have a difference in our semester end date for this fall. PSD Options 1st semester will end on Friday January 13th, and the second semester will start on Friday January 20th. This means that afternoon classes for 3rd-8th grade students will change on January 20th, and not at Winter Break.

### **General notes for PSD Options**

To help your child know where to go at drop-off, [here is a map](#) that shows the exterior doors to which students should go. K-2 students can enter through the main entrance.

### **Parking Lot**

If you have not already done so, [please make sure to read this document before dropping off or picking up your child](#). We have made a few adjustments to the pick-up/drop-off procedures to make things safer for everyone, and to align our practice with that at PGA. The highlighted sections are changes from previous practice. Also note the picture on the second page which identifies our drop-off and pick-up lanes.
