Prayer For a General Farm warker Application.

Dear Nathen

I am very interested in working as a Farm Worker at (Company Name), a position for which I feel that I am highly suitable. With my excellent livestock and crops knowledge, I feel confident that I am the right person for the job.

My interest in farm animals and associated work stems from my childhood, much of which I have spent growing up in the countryside. Now, I would like to give back to nature what has been a vital part of my growing up years.

Specifically, my qualifications include the following:

Solid knowledge of livestock feeding and breeding processes. Able to plant and sow crops, and perform harvesting work, with a complete focus on the quality of end products. In-depth understanding of handling pest control, as well as weeding work to ensure the safety of crops. Competent in operating farm equipment such as tractors, and other machinery to fertilize the soil, and perform plowing and harvesting processes.

In addition, I am a physically strong individual, who has the capacity to perform challenging work processes.

As a passionate farm worker, I will contact you after a few days to further elaborate on why I am the right person for the job. In the interim, you may contact me.

Thank you for your time and consideration, and I look forward to hearing from you soon.

Sincerely,

Badal Arman
