

The DAILY Pink Table Rota...

February/March 2023

Times: 10am to 12 noon.

Locations: High Street, Central Station, Hub etc

Please pop your name down for any shift you can do. It might be easiest to put yourself down for a shift on a regular day, which will make for easy scheduling.

Recommended: One or two shifts per week per rebel.

Ideally 3 people should be on the shift. Two at a pinch if you're experienced. Never do it on your own.

Get in touch with your crew for the day beforehand to arrange where you will put the table, and who will collect the kit.

Refer to the **Pink Table Kit** at the end of this document...

Chalking the Streets:

As well as the Pink Table, we can have small teams of chalkers to spread our messaging, even further from the Pink Table.
