

**Chapter 7: Two-Spirit People and the Impact of Colonialism in California**  
**HANDOUT: Informative Podcast**

**Record a podcast using youtube, a voice memo app, canvas, etc. In this podcast, you will explain the concept of two-spirit people to someone who does not know about the topic.**

In your podcast, include the following:

- ☐ Explain who two-spirit people are. If you can, name the two spirit people in your own community.
- ☐ Make a claim where you argue how important it is to acknowledge the history and resistance of indigenous two-spirit people of the land where you live.
- ☐ Give some examples of how two-spirit people experienced colonization.
- ☐ Explain the ways that two spirit people thrive today.

***Tips for completing a Podcast***

1. Create a script or outline to help guide you in explaining your claim, evidence, and reasoning.
2. After you record, listen to your podcast and make sure both your voice is audible on the recording and your podcast includes all elements on the rubric.
