Made art for my audience Link proving this is my post 01 July 2023 Meetup Aleo Kyiv I visited a meetup in Kyiv 05 July 2023 thread learning_zk(En) Analysis of ZK technology, and its significance in Aleo Link proving this is my post 06 July 2023 thread + art (En) A short reminder of ZK technology, and the Aleo project Plus, for maximum attention, I made art on paper in 2 stages.Link proving this is my post	05 July 2023 thread miZK(En) About the Aleo programming language, and why it is needed Link proving this is my post 11 July 2023 tweet+news post(En)The main network is delayed until about December Link proving this is my post 07 July 2023 art + thread post(En) talk about the fundamental technology Link proving this is my post 07 July 2023 tweet post (En) My new social network Link proving this is my post 19 July 2023 tweet post (En) Aleo - a leader in his own direction Link proving this is my post 02 August 2023 tweet post (En) Project security Link proving this is my post 17 August 2023 tweet post(En) Leo Wallet Link proving this is my post 22 August 2023 tweet post(En) AleoHQ is privacy in action Link proving this is my post 23 August 2023 tweet post(En) Pioneering Privacy Technology in Blockchain Link proving this is my post 24 August 2023 thread post(En) Aleo's Privacy-Preserving Architecture Link proving this is my post 29 August 2023 tweet post(En) Dive into Aleo Link proving this is my post	01 September 2023 thread post (En) main things of each developer Link proving this is my post 05 September 2023 thread (En) Aleo's Deploy Incentives Program Link proving this is my post 06 September 2023 thread post(En) Zero Knowledge Proof Link proving this is my post 06 September 2023 thread post(En) A Revolutionary Programming Language Link proving this is my post 09 September 2023 medium post(En) Revolutionizing Healthcare Link proving this is my post 11 September 2023 thread post (En) The most important thing about the project Link proving this is my post 15 September 2023 thread post (En) Privacy Link proving this is my post 24 September 2023 (En) Very informative thread about Aleo's participation in web3.0 Link proving this is my post 6 November 2023 made a article (En) Program on Aleo Link proving this is my post
---	---	---

SPECIALSKILLS:

I created a program in the Leo programming language that determines the elements and your animal according to the Chinese calendar, according to your year of birth

Proof:<https://github.com/Kotsar-Mykhailo/midrop5AleoChineseCalendar>
[Link proving this is my work](#)

I also made it into the last selection of ambassadors, but due to a browser error my KYC data was entered incorrectly

About me: analyst, designer, in cryptocurrency since 2018, I want to join your team
