Listed below is my At a Glance pricing guide which is a rough outline as to what commissions will cost, nothing is set in stone and prices are subject to change. Artistic Liberty suits are discounted by my discretion based on complexity, amount of freedom I am given and other factors! I am willing to work off of the resin bases, foam bases and bases provided by the client from reputable makers. E-mail (SaltySuits@gmail.com) with inquiries. I am totally willing to work with you to make your costume idea a reality.

Thanks for looking and considering me as a potential fursuit maker.

****33% Material Cost is non-refundable on all fursuit commissions****
