The New Deal

Using your notes, explain in your own words what the New Deal was and why FDR implemented it. (You must check this off with Mr. Barnhill before continuing)

Choose three New Deal programs and look up what they did as well as what Great Depression problem (s) they were trying to solve. Choose from this list of programs: Tennessee Valley Authority, Social Security, Federal Housing Administration, Works Progress Administration, Agricultural Adjustment Administration, Indian Reorganization Act, Wagner Act, or the Fair Labor Standards Act.
