- What do you think???
- How do people become more intelligent?
- How are our brains like muscles?
- When do our brains grow the most?

YOUR TASK: With a partner, use the Growth Mindset chart! [CLICK HERE](#) for a copy of the worksheet.

- **CREATE** a Growth Mindset phrase for each Fixed Mindset phrase. This should take roughly ten minutes.
- **SHARE!**

1. Do you think it is important to have a growth mindset for artistic, academic and personal success?
2. How can it affect you while you are making art?!?!?
