## A PEEK AT OUR WEEK:

This week we will have a full week of learning! We are starting a new story in **Reading** called Diary of a Spider. The fun story helps us to look at writing from a different perspective. We will be exploring the story (and spiders) in different ways. In **math** we will be assessing unit 1: *number sense* and taking a peek at unit 2: *Adding 2 digit numbers*. Then, in **Social Studies**, we are starting a new unit: *Farm to Table*. We have some fun virtual field trips to take and will be focusing on where our food comes from (not just the grocery store or the refrigerator). We hope you enjoy in-school and remote learning activities this week.
