

Makeup Artist Pitch

Author: James "Dragon Master" Courneya

Genres: Romance, Shoujo, Supernatural.

Page Count: #

Logline:

The main character runs a successful beauty parlor as a top class Makeup Artist. However, a large part of said success has to do with her unnatural ability to make people look like whatever they want. One day her pushy friend sends in someone to get a makeover. A very plain and seemingly uninteresting man in a grey suit.

Characters:

FL: A tall slender blonde, who has a deep passion for what she does. Along with a strict set of principles she follows. She finds it a lot easier to work on and understand others then she does herself.

ML: Wears a plain grey suit. Is very plain and unexpressive.

Friend: Has a bubble-gum punk esthetic.
