Treasurer– Andrew Foster

- Treasurer report attached.
 - The PTSO ended January with a cash balance of \$26,455.80.
 - Through January, total revenues are \$9,996 versus a budget of \$16,400. We are below budget for membership and donations by \$1,279. Tiger's den is below budget by \$4,608, but we anticipate additional sales this spring with incoming 9 th graders. Kroger funds are paid quarterly, and we expect to be on budget. The Tiger's shack has achieved its budgeted income for the year with three months remaining in the school year. Finally, we are expecting additional income from the spring Craftsmen's Classic, which is currently on budget from additional volunteer events at Richmond Raceway.
 - Looking to expenses, we have spent \$3,045 versus a budget of \$21,150. We are expecting additional expenses for Party All Night, Scholarship, Programs, Hospitality. We will likely have favorability for a few budget line items based on year to date spending.
 - For 2024-25, we budgeted a net loss of \$5,050. Based on favorable revenue sources and underspending on certain expense items, I'm anticipating the net loss will be lower than budgeted. Given our current cash balance and expected loss for the year, the PTSO remains in a strong financial position.

Make sure to include pertinent information such as event, date, time, location, # of volunteers (and specifics if need to be students/adults), items to donate... A week's notice (or longer if you know ahead of time) is appreciated but I'll do my best on last minute notices. Thanks!

Craftsmen Classic – Fran Swailes (Mallory Duncan 2025-26)

- The spring event raised \$1,000 for PTSO! Thank you to everyone who volunteered!
- We still need to find a way to ensure that students who sign up attend their shifts. We sent reminder emails before the show, but some did not show up. The Sunday morning and afternoon shifts had only two people working each shift. It was doable because it was in one building. However, it left only one person to cover the door and one person to sit in the booth, allowing vendors a brief 10- to 15-minute break.
- The November Craftsman show will take place from November 7 to 9, 2025. This is the bigger show that spans two buildings. More volunteers will be needed to cover the front and back entrances of the show. Additionally, we require a sufficient number of volunteers to staff the booth and assist the vendors. Start soliciting volunteers as early as possible.
- It was my pleasure to chair this event for the last two years. Thank you, everyone, for your help. Thank you to Mallory Duncan for stepping up to lead the efforts next year!

Party All Night – Rita Cotton

- Prom will be Saturday, April 26; SkateNation Plus reserved from 10 pm – 1am (\$1,400/hour for total of \$4,200).
- We will have our school security officers at the event again this year.
- A sign up has been sent to request donations and parent volunteers to help with supervision, checking in students, and helping with setup and cleanup. A sign up will go out in early March. [Party All Night Sign Up](#)
- If you would like to help or have any questions please email Rita Cotton at pan@jrtuckerptso.com.
