

If you are thinking of hiring contractors to undertake work in your home rather than doing the task yourself, there are several points to consider. It's important that you hire an experienced company that is qualified to do the work and that has adequate insurance. At Moloney Painting Ltd, we're WorkSafe BC affiliated, we're bonded and licensed, we have public liability insurance and we can supply maintenance and performance bonds. Always seek the names of customers of recently completed jobs for references and ensure you check them out. Don't just drive by and think "how lovely it looks". Moloney Painting Ltd is a family-operated business specializing in commercial and residential painting since 1991. The Moloney difference is what sets us apart from other painters and we approach our services with integrity and with your interests in mind. Please remember this when you are choosing your next interior painting, exterior painting, or commercial painting company in Victoria. We'll always put your needs first, for every project.
