

Special Olympics Minnesota: May 20, 2018

Dear David,

My name is John Hoffman, and I am a Program Intern with Special Olympics Minnesota. By offering an opportunity for individuals with intellectual disabilities to engage in year-round sports training and competition, we create an inclusive community where all are accepted and welcomed! Volunteering and community participation help promote these athletic, health and leadership programs in an environment of equality, respect and acceptance.

Sunday, (5/20) Special Olympics is hosting an Area 11 Track & Field Competition at Roosevelt High School, and we are in need of volunteer timers, awards assistants, field event assistants and staging/escorts. I saw you are the Track & Field Coach at Highland Park High School, and I am hoping you could distribute this message to athletes and families who may be interested! Shifts are typically between 3-5 hours, and individual registration can be found here:

Additionally, I can reserve multiple volunteer spots if you have a group of students interested in helping – just let me know!

This is a great opportunity to get involved with Special Olympics and give back to the community. I greatly appreciate your time, and please let me know if you have any questions!

Sincerely,

John Hoffman

Program Intern
