DIASPORA  Presents...

3rd Annual New Britain Multicultural Festival

Diaspora Multicultural Society, Inc. is a social club with a purpose. We opened our doors in April 2017 and have been providing a comfortable, fun, and welcoming space for a diverse crowd to commingle and build community ever since. We are run by volunteers, and community oriented. All proceeds go to our operations and back into the community. We have collected and donated items for disaster relief in Puerto Rico, families affected by natural disasters that relocated to New Britain, and a volcano eruption in Guatemala among some of our efforts. We have collaborated with and donated space for fundraisers and events to various community organizations, such as Altrusa International, the HRA Neighborhood Fathers Unite program, and New Britain ROOTS. We have established a 501(c)(3) foundation to help us expand our charitable work. With our community's support, we look forward to many more years of serving, entertaining, and welcoming our diverse visitors. Your support is highly appreciated and will aid us with making our Multicultural Festival an annual staple as well as bringing future projects to fruition, including establishing a scholarship fund.
