Terms and Conditions

Booking Process and Booking Fee

To reserve a date, the following booking info must be completed and returned to me via email.

Once I have received the requested info and made sure I'm able to fulfil the booking, I will then send you a link to pay the booking fee securely online via SumUp.

The date will be held for 7 days and will only then be secured upon the receipt of a £100.00 booking fee.

This £100.00 will be deducted from the total amount.

This booking fee is non-refundable and non-transferrable.

The booking fee covers the time I spend organising your booking, and any bookings I have to turn away whilst the date is held in your name.

However you have a 14 day cooling off period from the day you pay the booking fee in which you may cancel and be refunded in full.

Payments

Payments are accepted online via Sumup – I will send you an invoice to pay securely online. The final balance is due 7 days prior to the event as one payment. I will send another payment link at this time.

Service Location and Requirements

There are certain requirements I have for a safe and efficient work area on the day. There will only be one location – I will not be able to relocate mid booking. A table/work area needs to be made available. A chair such as a dining chair will be needed but must not be high backed. Ample lighting, whether by means of natural light or by lamps, is necessary for services to be performed properly. Many hotel rooms do not have main lighting so this must be checked prior to date and lighting must be arranged to complete the service. There must also be a plug socket available close to this table. For hair ups, hair must be clean and dry ready for the service, unless the hairdresser has arranged otherwise. Further info on hair prep will be sent shortly before the wedding.

Travel Fee

A travel fee of £40 per hour will be charged for locations outside of Inverness. I calculate this using Google Maps from the starting point of the salon postcode IV2 3FP. Inverness is classed as any location with a postcode beginning with IV1, IV2 or IV3.

Liability

All brushes and tools are kept sanitary and are sanitised between every service. Any skin condition or allergies should be reported prior to the service and, if need be, a sample test of the product may be performed on the skin to test for a reaction.

Cancellation Policy

Cancellations must be made no later than 7 days prior to your reserved date or you will be responsible for the total amount of services agreed upon.

Cancellations may be made before this time, but the booking fee is non-refundable as it covers admin time and any lost bookings which may have been made while the date was reserved.

In the extremely unlikely event that I would be forced to cancel a booking, every effort will be made to secure a replacement hair stylist or a full refund will be given.

Add-Ons

No add on services will be allowed on the day – this includes extra members of the

party, or flower girls not booked on this form. However, such changes may be made to the booking up to 7 days prior, if timings allow.

Photography

I may take photographs on the day and use for publicity purposes which include but are not limited to website and social media pages. If you would rather I do not share your image, please let me know .
