LESSER ISLES OF THE SEA

- 1812 D Conclave of Parrots and Monkeys. Pirate pets meet astrally to plan the economic impact of piracy in the region for the next 10 years.
- 1916 D Underwater cave accessible from 1510 leads to an ape-haunted island with a shipwreck containing the MANTICORE BROOCH of 1910.
- 2022 D Lost JUGGERNAUT OF OOTOON, ancient magic war-altar that traverses land and water (spells: SHAPE OF PAIN, COIL CHILD, MORPHIC CLOUD).
- 2128 V Poison-spewing volcano. Ancient arsenical bronze temple to forgotten salamander godling holds secrets of magical bronzeworking.
- 2222 O Wreckage of an arcane airship that sought Ootoon the Flowing One after stealing the MANTLE OF THE SCREAMING SKY from Shilaq.
- 2322 S Brachiating octopuses hunt in mangrove swamps near OOTOON, The Flowing One, who desires the World Tree of the Three Orbs for itself.
- 2424 O The JUBILANT, metal fish of the SAINT OF VERDIGRIS AND WINE. Any who defeat him in underwater battle can use his (damaged) submarine.
- 3010 D Gigaloxo temple to a forgotten human-headed god. Elephant-folk feed and pray over feral humans like they were sacred rats or monkeys.
- 3409 P Half sea cucumber dragon is the reincarnation of a failed martial artist. It "breathes" out its acidic guts and hunts monks.
- 3808 HLF PORT REVENGE, pop 200. Pirate base in the corpse of a giant turtle. 'Ware cutthroats, turtle-ghouls, crooked runebone diviners.
- 3909 HLF The Charalexian Rock. Letting the so-called Black Wave of the North strike you here is said to grant the powers of Varuz the sea god.
- 4106 D Temple to the POISON GODS OF ZVIN once used by assassins. Murals are semifunctional gates to prehuman temples in 1215, 2128, 3010.
- 4504 D Atoll of VARUZ the Sea God. He/she is spending 33 years summoning his/her lovers for a grand reunion that will birth many wonders.
- 4607 P The TEMPLE OF THAR. The archifex employs corsairs to steal limbs and bones to create a golem-clone of the Technogogic Imperator.
- 4708 P Oh shit, weresnails!
- 4805 P Tomb of the NEWT SHEDU, a White Ziggurat Age relic. The shedu's children test flexibility. Their reward is the PHILOSOPHER'S HORSE.
- 4906 P Cats with tarot cards on their blank faces are all that remains of a failed prophecy.
- 5106 LF A lighthouse that casts a solid beam into the astral plane on which people can walk or ships can sail.
- 5112 V Tarantula-riding gnolls hunt trespassers to offer up to their volcano god (really a hidden fire wizard in need of souls for experiments).
- 5212 HLF The forest here is dotted with huge (50') stone orbs. RUNUS (half-elf bard) seeks the lost song that can make them fly.
- 5409 D Mile-long floating sarcophagus of THAR the tomb god, covered with carrion angels and their scalding, sacred droppings.
- 5614 D A glass well full of sand. A fistful of the sand is a full day's food, water, and air. Removed from the well, sand lasts eleven days.
- 6003 LF LATU, Goddess of Air, wanders her island with her bow and sky-hounds, memory lost, third eye shut, unable to restore the Sky Throne.

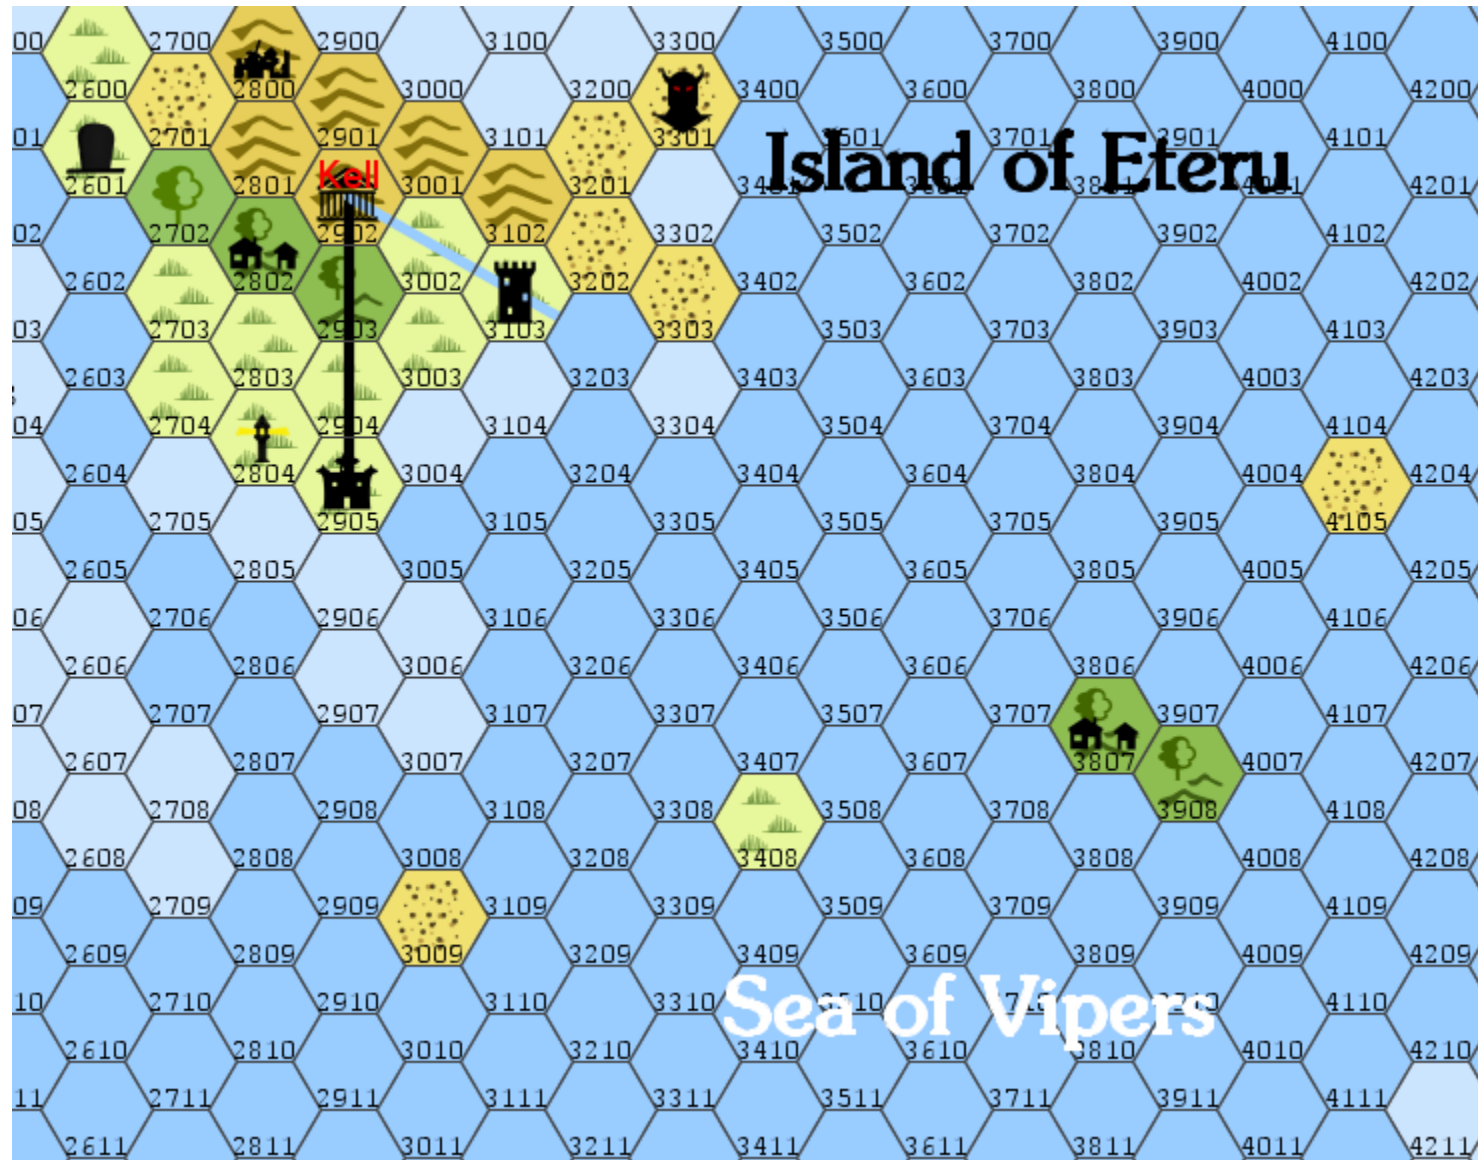

THE ISLAND OF MIDRI MEC

Small island ruled by the treacherous ATLAMMAH, THRONE OF PAINTED MACAWS, satrap of the Technogogic Imperator.

- 2414 P PORT BORT, Pop 2200. Technogogic town divided into sealable zones patrolled by wyvern riders to prevent Plague-of-Serpents outbreaks.
- 2514 P Giblet kids--gore-devils come down from the hills after a dimensional mishap to claim organs. Armed with vicious screws and drills.
- 2515 HF The THRONE OF PAINTED MACAWS. She knows the order to free the Antigods (Abundant Worm's Scepter, Tor Col, Shekuneth, Chedec, Ondor).

THE ISLAND OF ETERU

Forgotten sacred experiments from the Age of the White Ziggurat litter the island of Eteru, which saw the first coming of the new gods.

2601	P	TOR COL, Antigod of Zeri, god of justice, imprisoned by his own knotted ouroboros hands at his throat. Thief of beauty and obscenity.
2602	D	TOMB OF THE BEE SHEDU. White Ziggurat Age relic. The priests test CRAFT. Their reward is the JAR OF UTTER RESTORATION.
2702	D	In a cave: a divine scroll of MAENADISM (cleric 4). When cast you become a marble statue (as stonesskin) that causes murderous mania in religious women (save resists).
2703	LF	Xorns and vampires meet in a bower to offer prayers and sacrifices to the amber medusa in 3002. Paladins of Zeri prepare an ambush.
2704	P	Beholder godling hollows out a 6-mile spherical miniworld where it will be the sun. It has apes and dinosaurs, but needs people.
2705	P	Forgotten temple to a younger, crueller Melna. The ancient dead materialize at night to writhe and scream on iron impaling poles.
2801	HD	ISSHEX, a cruel and slovenly green dragon. Its intelligent magic items, good and evil, plot against it to find more worthy owners.
2802	HD	Long-forgotten, concealed, currently deactivated teleport gate to 0518. White Ziggurat Age directions point to other gate.
2803	HLF	ALACT, pop 200. Kell priestess needs snakes from 2826 to finish replacing her blood with perfectly-harmonized poisonous snakes.
2804	P	Gnoll wizard-chef (disciple of the halfling in 2527) cooks shifting lycanthrope meat with strange and terrible properties.
2805	P	Lighthouse-keeper: cleric of Zeri with a fire amulet and the SHIELD OF DRA (its shows the greatest virtue and vice of its wielder).
2902	H	Quartz hills create a tree made of moonlight on the 1st day of the crescent moon with magical healing quinces that grant prophecies.
2903	HD	Temple of Kell. The Archifex seeks the intelligent sword KODMOS (2801), which can yank out a person's skeleton (fatal) and control it.
2904	HLF	Finches trained by ancient elves in archery patrol these woods with tiny sleep arrows. Those who fall are usually eaten by bears.
2905	P	Elf martial artists covered in moss and flowers has meditated for 1000 years and is close to perfecting his ultimate technique.
2906	P	Castle of the SAINT OF YELLING AND FLEXING ALL THE TIME. Opens his meat-castle (pop 900) to any who bests him in wrestling.
3002	H	TELEPHERA, the amber medusa. Shining mosquito-haired monstrosity who drinks sap. Her gaze transmogrifies to blood or amber.
3003	P	Lizard-riding recruits from the Chameleon Duoverse study horse archery under a centaur warmaster.
3004	P	2602 Ot-W-Roon the Newt-Bee, demigod who stole fire from the gods, now offers humanity fimbulwinter, cannibal copper, ultradeath.
3103	HD	Half-dragon djinn wants info on whether or not to join Shilaq. Offers a knocker that, when thrown on a door, unlocks it with a bang.
3104	P	Fallen druid cursed by White Ziggurat Age spirit with a piece of sunstuff for a head. Dwells in white-hot tower with ifrit servants.
3202	D	Necromancer PALUNE PAIA gathers shed skins of Kell snake cultists in 2803 to create skin golems and/or torment the followers of Kell.
3203	D	TAKI TEPU, cleric of Melna, promises she can transport anyone anywhere by staking them out and hitting them with her hammer.
3302	D	Lair of WUTHRA MAI, Serpent of the Ink Mask. Causes runification of flesh, eyes, and teeth; treasure includes the BLUE ORB.
3304	D	All the blood shed by the sword KODMOS has accreted into an eloquent panther-shaped vampiric horror that hunts the sword-wielder.

Island of Calsu

5202 LF Decaying manor. Taxidermied ostriches rule over a servant-class of stuffed animals. Old paintings serve as portals.

5204 LF Elf bandits have imprisoned an ettercap for her ability to create enchanted bowstrings from her silk.

5302 LF Lair of IR SHAH, Serpent of the Thousand Cubes. Hides the ORRERY MADE OF FIRE among her name-eating, ever-shifting terreracts.

5303 LF Goblins wait in obvious ambush behind a tree. Calax illusionists-bandits who created the goblins wait, invisible, up the road.

5304 LF Charmed partridges bred by elves to be eaten have escaped. They make tooth-shattering charges at the nearest humanoid mouth.

5305 LF Elf demagogues argue the cultural significance of ear-sharpening cream. The issue is obscure; opinions are mandatory.

5402 LF Well full of martyrs' heads. Its water is poison to all save the righteous, who gain great powers and then die within 333 days.

5403 LF DURGA, pop 110. Worn by a guard: garnet carved to show Latu's debate w/ Terateca the Lion-Bee. Changes bees to arrows & vice-versa.

5502 LF ESKUMIA, pop 400. Contains a busy wizard-dentist who crafts wondrous false teeth that never escape, no, never.

5503 LF Section of ancient aqueduct of magical milk and honey created for a forgotten elf princess. Now full of bees, giant and otherwise.

5504 LF Elven vampire princelings duel with hawthorn daggers in a circle of garlic sanctified by a kidnapped low-level cleric of Lauthune.

5505 LF The TOWER OF WINGS, made of millions of fluttering wings, once a cult center of Shilaq, now ruled by cruel, squabbling Hive Eagles.

5602 LF The severed hands of all the condemned thieves in Eskumia (5502) have started to grow together in a huge underground tree.

5603 LF Pig-headed men armed with hooked swords claim that they are the true orcs, replaced by alien simulacra during an enchanted sleep.

5604 F Grove of NENNI (elf druid) will see the growth of a new World Tree and the restoration of the elves if the Three Orbs arrive here.

5703 LF Castle of the TEMPORAL SAINT. Opens his castle (pop 800) to any who can defeat him as a boy, man, elder, and ghost, all at once.

5704 LF The UTILITOUS WOOD. One axe-strike turns trees into useful wooden items, from spoons to boats. Elvish runes explain what's what.

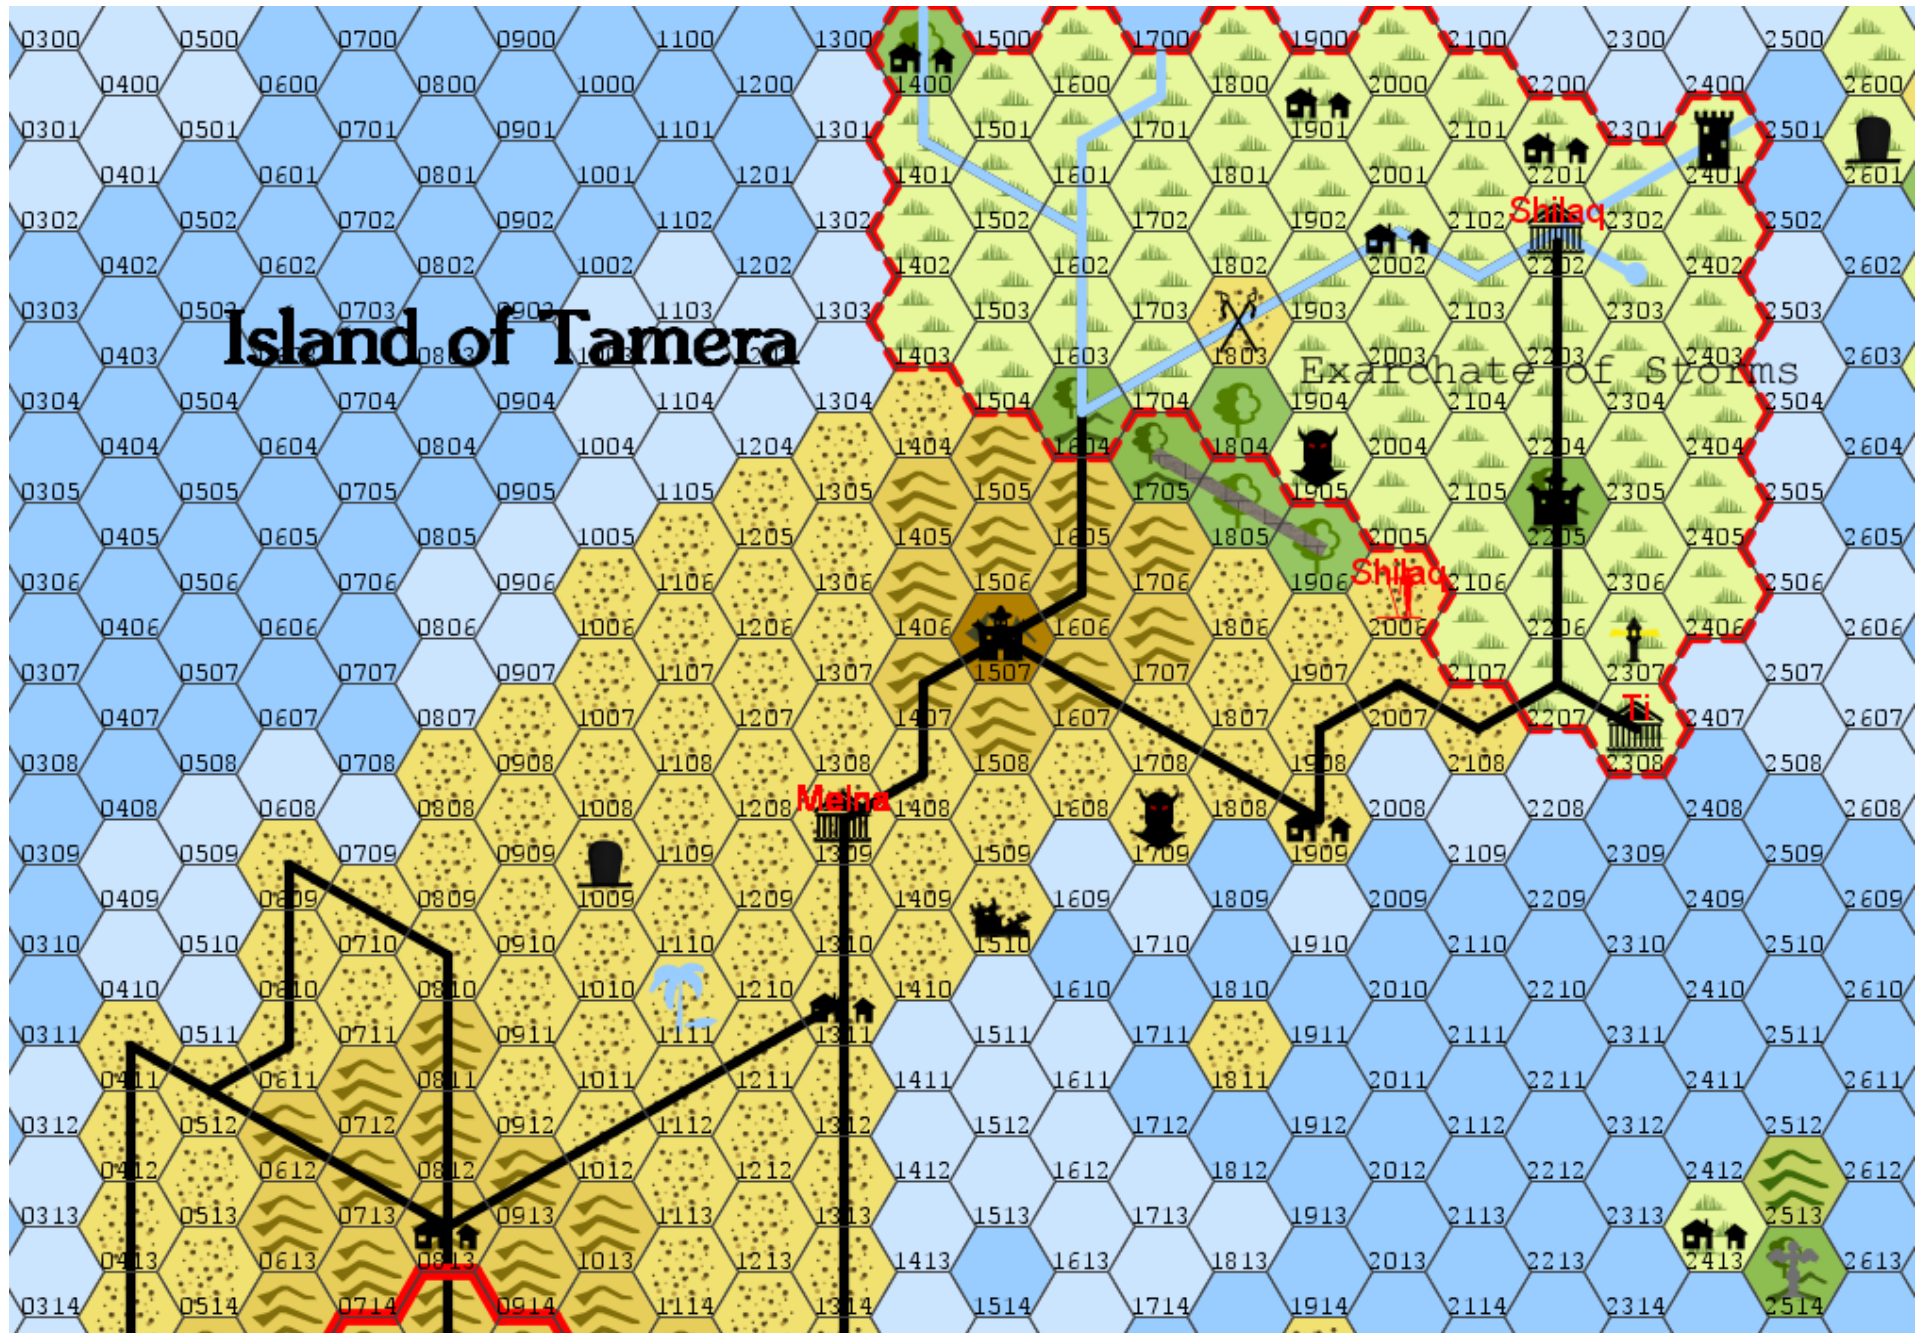

5803 LF PELOPEX, pop 350. Every object in this town features (or is in the shape of) the face of a woman with a third eye.

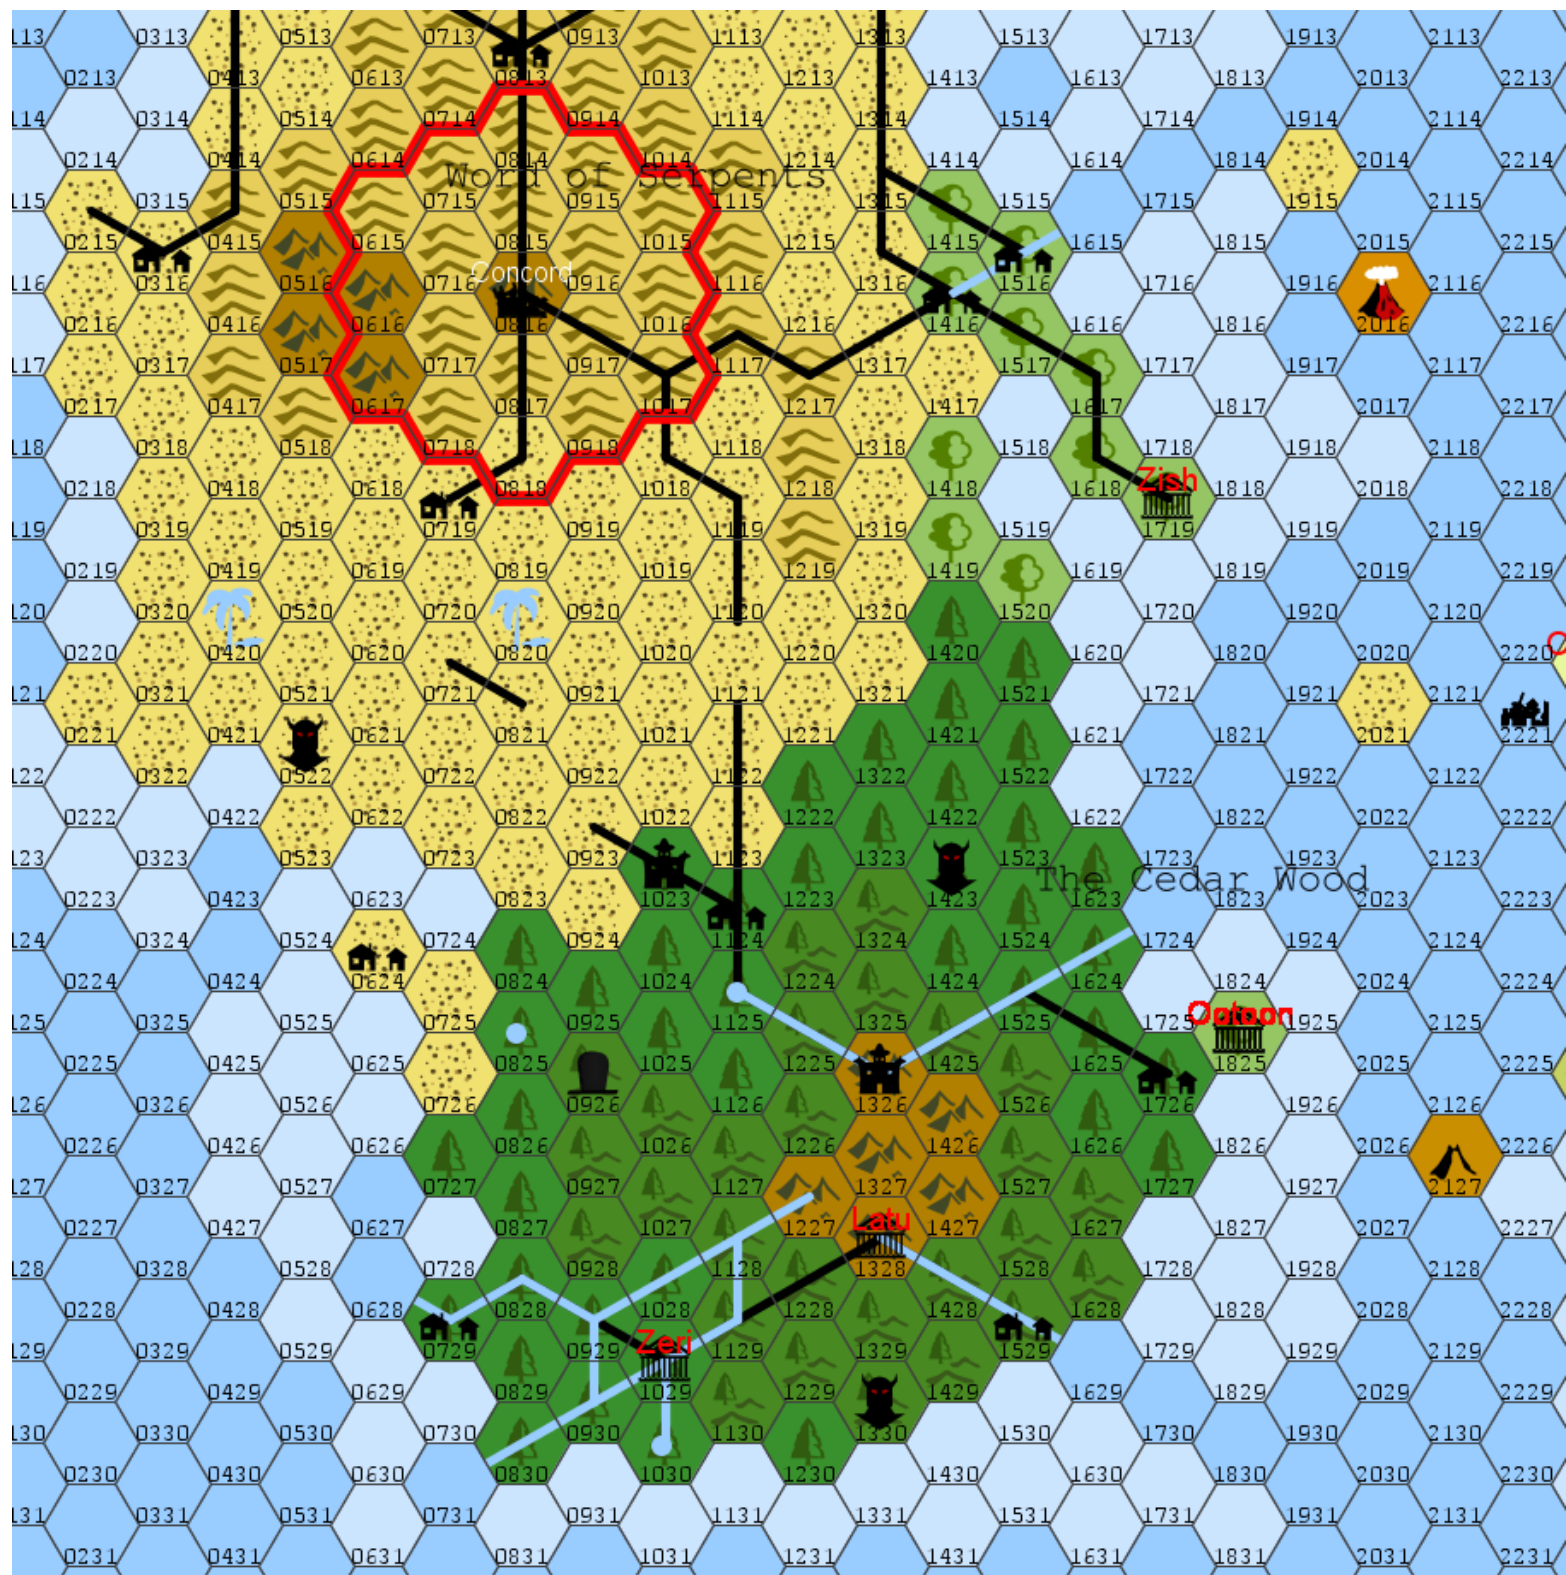

5804 LF Six-inch tall fey "jackal-hunter" just absolutely wrecking up a whole tribe of gnolls.

5805 P The MEMORY EATER OF GWA. (See 5323.) Currently groaning with satiation after eating the memories of Latu, Goddess of Air.

5905 P GHELLIX, pop 300. Native Calax shedu cultists sacrifice hearts to Shoth, the Wolf-Newt. The sacrifices live on as cruel husks.

Hosting site of the Conclave Arcane, its interior devastated and its people mutated by the Word of Serpents.

0216	D	A swarm-intelligence of mutated condors who have lost their Key Mind Element; intelligence and group cohesion dropping fast.
0217	D	A circle of stones where the desert tribes once met, permanently bloodstained after the Treachery of Gesh. Vampires feed at night.
0218	D	In a cave, a White Ziggurat Age treasure trove including a STAFF OF SEVEN BELLS guarded by animated cave paintings of animals.
0222	D	A meteoric central peak crater. At its peak, past irradiated flora, a blade trapped in crystal: VERTUN, a SWORD OF DIMENSION-DANCING.
0317	D	TUSNA cult compound, pop 300. Melna-worshipping dwarf amputation fetishists with clockwork limbs, crystal eyes, lichen beards, etc.
0318	D	The ruined manse of Kel, a Rootborn wizard killed during the Word-of-Serpents War. Technogogic eclipse golems roam the looted halls.
0319	D	20 Fur-clad berserk servants of The Throne of Antlers and Iron (a satrap of the Emperor). They seek the lost cairn of Gesh in 1019.
0320	D	CLEVA fishing village, pop 600. The hero-captain MATHYX drinks to forget the horrors of 1404, ignoring his galley, the WHITE ARROW.
0321	D	Recent signs of passage, easy for a ranger to read: horse warriors from a local tribe pursue smoke goblins south.
0322	D	A dying heap of horsemen and horses, fused together. The warriors only scream; the horses whisper prayers to Ootoon, The Flowing One.
0323	D	Smoke goblin fort, pop 80, ruled by a chieftain protected by a CAPE OF THE WHITE TORTOISE and guarded by 10 goblin fogblades.
0412	D	Nameless city destroyed by the Word-of-Serpents. Spectral inhabitants eat the memories of the living to remember their own names.
0413	D	Irrigated fields that once fed a city. Ditches and aqueducts now overflow with stone scorpions and the grain is petrified.
0414	D	Current base camp of horse nomads, pop 900. CHIEF PENETH suspects one of his tribe is a vampire but does not suspect his favorite dog.
0415	D	Giant termite mounds. Bandits--horse nomad youths who failed their initiations--strike from above, killing horses first.
0416	HD	Werewoses. Cavemen bites shift your mind back to a prehistoric simian body when the moon rises, as your body runs amok in this time.
0417	HD	An astral deva angel and a bone devil hunt the gem-wizard (in 1022) who cursed them with free will.
0418	HD	A mirror-bright golden ax in a hidden cave contains a small dwarf clan. Anyone struck by or carrying the ax in sunlight joins them.
0419	D	Gnoll bandit fort hidden in the ribs and skull of a long-dead leviathan; nothing remains but gray DISINTEGRATE residue and stolen gems.
0420	D	Crooked kobold-riddled 500' tall iron pillar. On its surface or in interior tunnels, gravity within 10' points toward the pillar.
0421	D	Water hole fought over by humans, dwarves, kobolds, goblins, gnolls. Carnivorous plants sustained by battle bear face-shaped fruit.
0422	D	Obscure bird-headed aspect of Latu (Mother Sky) attended by faithless elf clergy turned to swindling and robbery; could save 0216.
0513	D	Old roads now turned eerie by the Word-of-Serpents. They lead to whatever worlds or stars sit on the horizon in line with them.
0514	D	MANSE OF MIRRORS, arcane tower abandoned because its shifting, reflective surfaces randomly vaporize things whenever the sun shines.
0515	D	Troops from 1014 slain by a cloud eel summoned by the wizards in 0612. Their leader dropped a RING OF SEALING.
0516	HD	DEAD LEOPARD HILLS. Leopards destroyed by the Word-of-Serpents; all that remains are their spots, teeth, and hunger.
0517	M	Huge opal tooth mined by kobolds. Made by the wizard in 1022 to torment the priest in 1310, whose cure disease spells won't work.
0518	M	Lintel bearing a White Ziggurat Age poem, defaced but interpolable. Restoring it reactivates the two-way teleport gate to 2802.
0519	HD	Glamered bandits impersonate Castle Theena's planar sentinels (1019). They ask for help with a "rift" then push victims off a cliff.
0520	D	Pavilion used for horse tribe chieftain weddings. Nearby gnolls plan to kill its eunuch guardians and steal its treasures.
0521	D	SHUTHI, vampire cleric of Shilaq, god of storms, pits her will against a living sandstorm. Victory will let her block out the sun.
0522	D	Intricate, hypnotic, mile-wide unfinished stone circle. The stones cry out for completion but cannot express their final form.

0523 D Lair of VEIS, Serpent of the Unclean Dance. Causes mania, tremors, the vomiting of worms; treasure includes the MANUAL OF SWANS.

0524 D A bolt of lightning frozen in the sly, glowing faintly. All who touch it die; scorched avians and flying machines litter the dunes.

0610 D ARNA, pop 220 + 950 eternal sleepers now ignored by the new locals. Thorny vines surround the town and maintain the sleep effect.

0611 D Former garden peacocks turned into vicious magical pack predators by their leader, AZOMANDER HEXRATH, a turkey-polymorphed wizard.

0612 D Wizards sent by the Throne of Carp and Lillies (servant of the Emperor) to study 0513; slain by horse nomads for their presumption.

0613 HD Gelatinous cube now dominated by the iron-willed warrior it devoured. She wants to return to 1015 but will melt in the sun.

0614 HD The STONEWIVES, dwarven statues animated from 0618, then destroyed in battle; remains riddled with huge stone carrion insects.

0615 HD Failed cryogenic arkship. Magically irradiated half-buried lozenge full of thawed corpses, angry ghosts, and escaped hybrids.
"WORD" indicates a hex still affected by the Word-of-Serpents: expect unnatural skies, chaotic magic, and the jumbled dreams of Serpents.

0616 HD WORD The GRAVEN HILLS. Any words spoken here (not in Draconic) get burned into the blasted hills with explosive effects.

0617 M WORD The Copper Tongue Gang. Mutated goat-folk who worship Thar the tomb-god; armed with copper blowguns and poisoned needles.

0618 M WORD The BRIDE-RIFT, a goat-folk-filled chasm where the Stonewives (0614) once stood. The trail of destruction leads north.

0619 D The DETRITUS DUNES. Toxic arcane trash blows off the sheer northern cliffs. Gnomes and kobolds sift through the broken wonders.

0620 D A loquacious sapphire rolls glinting toward its master in 1022. It would like a lift, but would-be thieves get DISINTEGRATED.

0621 D Twelve headless male giant mantises piloted by cybernetically-inclined Technogogic deserters turned to banditry.

0622 D Beneath a long-dry riverbed: ancient aboleth mummy guarded by skeletal flying fish. In its treasure hoard: the TRILOBITE OF HOURS.

0623 D Gnome clerics of Ti, god of wisdom, construct a replacement moon from silver and 0619-scrap, in case the current moon vanishes.

0625 D VARONTIQ, gnome village, pop 250. FULU FLER needs only a magic bottle (like in 1224) to try claiming the lightning in 0524.

0711 D Three ghosts warn travelers away from their own dead bodies, which rise at night as mindless cannibal ghouls with thunder magic.

0712 D A "horse" made of hundreds of severed hands tries to lure new "riders." Ten more hands and it can begin the process of mitosis.

0713 HD 5-headed statue of Thar, god of tombs. Its faces move each day to follow an Enthroned, the 5 satraps of the Technogogic Emperor.

0714 HD Village of 22 KEPU, bodiless doppelgangers who adopt the skills of the clothes they wear. Fearing goblin attack, they seek armor.

0715 HD Future archeologists dimly visible examining a horse and rider recently killed in a flash-flood. Locals know them as "the oracles."

0716 HD WORD The Garden of Endless Life. A 100' cube of force packed solid with agonized living things, as nothing within can die.

0717 HD WORD Rampaging magically radioactive arachnoform silver elemental. In silvery webs: gnomes hailing from 0623.

0718 HD WORD Magically ravaged hill tribe warriors seek the Garden of Endless Life (0716) to heal their mortally wounded chieftain.

0719 HD WORD Goblin cleric of Ootoon, The Flowing One. Bears the ROD OF MINGLED FORMS; plots the death of the chief in 0323.

0720 D Escaped shadow of the vampire Shuthi (0521) skulks in a ruined village seeking redemption for its crimes.

0721 D Magical von Neumann replicators from a hostile astral civilization have unionized and refuse to work until they get a pay raise.

0722 D An aarakocra desert druid cultivates mellified raptors, drowning birds of prey in honey to create potions of healing.

0723 D Rock troll vampire that couldn't reach its lair before dawn. It simultaneously burns and petrifies, forever, but can say 1 word/day.

0724 D Striated coastal cliffs frequented by pirates unaware that fog goblins have begun to steal their treasure.

0726 D Female giant praying mantis propitiated by regular gnome sacrifices from a eugenic-obsessed cleric of Lauthune, god of lineage.

0727 D Ash pole marks the site of an ancient battle. Natural lightning-strikes to the pole cause it to bloom, creating WANDS OF LIGHTNING.

0728 F Unicorn graveyard. Magically hidden until recently; anyone finding and speaking of it will trigger a horrible magic-horn gold rush.

0730 F Ruined aarakocra village. Feral bird-children worship a larval god that orders them to kill adults. The god has plans for 0216.

0809 D An unquenchable fire burns beneath the sea 100' off the cliffs here.

0810 D Small "forest" of petrified trees guarded by bone dryads, long ago betrayed by the bone devil in 0417.

0811 D Fog-goblin champion struck by lightning mid-fogification, now a rampaging living storm worshiped by frightened nomads.

0812 HD Hypnotic, spiraling box canyons lead to a desperate (but still evil and hungry) morkoth trapped in a shrinking water-filled cave.

0813 HD Loxo (elephant-folk) funerary pyramid constructed during the White Ziggurat Age and looted centuries ago.

0814 HD TESHAN, lunatic village, pop 320. Conclave survivors summoned PIRX, a law spirit, who rules as psychiatrist-king of an asylum-town.

0815 HD WORD Explorers killed trying to take rocks from the Graven Hills (0616). Their leader wears a HELM OF METAPHYSICAL ADAPTATION.

0816 HD WORD The Axolaxiomatic, an axolotlform law spirit, seeks fragments from 0524 0809 1214 1602 1908 to destroy the dragons in 1017.

0817 M WORD Ruins of the Conclave Tower, bastion for the Technogogic Imperator's enemies, now a churning singularity of fire and serpents.

0818 HD WORD Tangled jungle of 3-10' green pipes cross jagged chasms. Mutated slimes fill the pipes; malicious anti-angels circle overhead.

0819 D WORD The CROOKED ORB. 50' orb with permanent MAZE effect to imprison the Technogogic Imperator, now filled with trapped minor evils.

0820 D Silicate worms feast on a dead metallic space whale. They crackle with stolen electricity if approached.

0821 D Oasis defiled by Gesh. Each tree has a hidden eye through which wizards can see; the same fate awaits anyone who drinks the water.

0822 D Ghosts of rootborn wizards' retainers cycle endlessly through 100' of broken road. If somehow freed they offer an IGNOSCENIC SHROUD.

0823 D Tiny (3-5') battleships litter the dunes. A search turns up tiny skeletons and 3d6 tiny cannonballs (SLING STONES OF INCINERATION).

0824 D Lost vinyl elementals created by Technogogic wizards to record and weaponize the sounds of thunder-ghouls (like in 0711).

0825 F Magetrap plants. Leaves w/spellbook-like inscriptions to distract wizards while vines extract the brain. 1% chance of working spell.

0826 F Unseelie guards of the unicorn graveyard (0728) who have slipped their geas. They wander the wastes armed with VITRIFICATION WANDS.

0827 F Rangers led by the werebear SHARACCA follow the radiant-gorey, trampled path of a mortally wounded angel southeast into the hills.

0828 F Ranger camp, pop 50, beneath the toppled statue of the WOLF SHEDU. Led by THAPPA THE KAPPA, a frog-knight cursed by the 0821 oasis.

0829 F In a river guarded by evil kappas: the Throne of Accar, hero-prince slain by Gesh. Grants far-sight out to 120 mi. if brought to 1220.

0830 F 20 forest tribe barbarians led by THOON OF THE LONG HAND turn against one-another after a nighttime werewolf attack.

0831 F Redd of the gorgosalmon. She waits with her roe for a worthy male (of almost any species). Petrified unworthies line the shore.

0909 D Kindly old couple asks directions to the manse in 1022. They are mage-killer clockworks activated by a dead Rootborn wizard in 0920.

0910 D Penitents guard the miraculous AMBER HEART OF ZIVA, all that remains of the Technogogic Imperator's greatest foe.

0911 D Tangle of dead horses and riders from a magical battle during the Treachery of Gesh. One skeletal horse wears a BRIDLE OF FERITY.

0912 D Remains of an inn built on a White Ziggurat Age fort; ghosts of the inn staff need help escaping the torment of the fort's specters.

0913 D Broken 50' jade hoop once served as the phylactery of a storm giant lich. Nomads fear the jade's "poison light."

0914	HD	Horse nomads chase a wagon destined for 0722. The driver stole precious preservative oils used to inter the nomads' royal dead.
0915	HD	Split-tongue dwarf nuns of Kell the earth goddess taste the air, hunting for magic treasure to "return to Kell's treasury" (bury).
0916	HD	WORD Former temple to Lauthune, God of Lineage, half-submerged in a quicksilver lake and abandoned to mercury maggots.
0917	HD	WORD 15 conclave refugees dwell in the mouth of a huge magic-resistant serpent they've wedged open with an unbreakable staff.
0918	HD	WORD Magically uplifted silver-masked basilisks discuss arcane philosophy. Anyone with a silver mask can study magic with them.
0919	HD	WORD Camouflaged basalt tower occupied by a cleric of Zish, goddess of dreams. The Word-of-Serpents affects nothing within.
0920	D	Home of Brocla, a murdered Rootborn wizard. Her death triggered dozens of assassination orders that her ghost wants to rescind.
0921	D	Mummified White Ziggurat Age blackbird gives a crown to one "worthy of a throne"--really a CROWN OF THE LEONINE METAMORPHOSIS.
0922	D	Abandoned secret training ground for Technogogic assassins now full of hobgoblins trying to access the semifunctional Danger Room.
0923	D	Fortress of ECU, wife of Gesh. When he killed her in a temple of Zeri, she returned as a jackal-spirit who still rules the fortress.
0924	D	Cave of the Holy Twins. Pair off PCs within; each has the skills, feats, spells, etc., of the other and retains his/her own.
0925	D	In a crevasse: a dormant, long-bloodless half-alien vampire in a cracked spacesuit with a heat ray and a life-draining whip.
0926	F	Beneath the lake: dead elves in burned ships. Magic weapons thrown in will appear later in times of great need, wielded by wraiths.
0927	HF	TOMB OF THE WOLF SHEDU. White Ziggurat Age relic. The priests test STEADFASTNESS. Their reward is the FANG THAT OPENS ALL THINGS.
0928	HF	Angel, half-glass and dying from the 0826 unseelie, seeks the spires in 1082 to kill itself before its pain turns it into a demon.
0929	HF	Orcs use barely-controlled werepigs to hunt down and devour terrified myconids.
0930	F	Kobolds guard and maintain a bridge. They want payment in gold or memories, but their memory-taking engine is broken and dangerous.
0931	F	Stone bears line the waterfalls after the passing of the gorgosalmon.
1007	D	Coast patrolled by mermaid pirates in upside-down catamarans. The captain has a lobster on her shoulder that says "Yar!"
1008	D	1/4-mile cocoon surrounded by a tent city of apocalyptic cultists-turned-raiders who wait for the BIRTH THAT MURDERS THE WORLD.
1009	D	Infernalist surrounded by 33 magic circles panics and attacks if spotted. Anyone touching a circle during the fight frees a demon.
1010	D	TOMB OF THE SCORPION SHEDU. White Ziggurat Age relic. Priests test PATIENCE. Their reward is the CARAPACE THAT REFLECTS ALL THINGS.
1011	D	Dragon-blooded kobold with fire breath gleefully Godzillas a tiny fairy city. Butterfly-riders and spitting beetles cannot stop it.
1012	D	Lightning-struck treantwife prepares to birth a plasma elemental who will change the world. Attended by a centaur cleric of Melna.
1013	D	Cow cultists of Zeri armed with sacred brain-scrambling needles. They want to become mindless cattle for cannibals and need recruits.
1014	HD	CASTLE THEENA. 50 troops led by 7 paladins of the Oath of the Watched Gate, fanatics who fight off planar invasions.
1015	HD	Hill tribe nomads offer an ancient treasure, the HELM OF THE KARKADANN, for the return of their leader (0613).
1016	HD	WORD Floating gold coins. Anyone grabbing one is plane-shifted onto a boat in Hell alongside other catches of the devil Fisherjack.
1017	HD	WORD Source of 0524 0809 1214 1602 1908: 5 mortally wounded chromatic wyrms brought to a stasis cave by kobold dragon cultists.
1018	HD	WORD FORT CORA. Pop "900". Razed in the war; its guardian spirit has turned to necromancy to convince visitors everything is fine.
1019	D	Mummy-haunted temple of HAPLOS, forgotten White Ziggurat Age Lion-Eagle Spirit. Plans to reinvigorate itself with 0921 and 1025.
1020	D	Lost barrow of Gesh, who betrayed the nomads to the Technogogic Emperor. Gesh's wraith wields PARXIS, a +1 CHIMERA-HEADED SPEAR.

1021	D	Ogre parasitised and dominated by god-maggots from 0730. Seeking 0216 to take them over. Armed with a BLOODBREAK MAUL.
1022	D	Manse of AKMON: gnome, gemsmith, enchanter, Technogogic loyalist. Crystal rooks guard the GEM OF FREE WILL and the GEM OF ALIGNING.
1023	D	Albino Black Mane Tribe gnolls crawl sunburned and blind through the desert, hunting the couatl that stole their pigment (1420).
1024	F	Castle of the SAINT OF THE CROOKED MOON. Fights w/ a boomerang. Opens her castle (450 troops) to any who can defeat her in the sky.
1025	D	Were-eagle nomad cursed by the CROWN OF AQUILINE METAMORPHOSIS seeks his leonine foe (0921) to reenact an ancient mythic struggle.
1026	F	Bones of CHOTH THE GOD-KILLER hidden by feeding shambling mounds and myconids. Latu's magic arrows still pepper the titan's corpse.
1027	HD	Gnome cleric from 0623, armed with a silver MACE OF MIDNIGHT, wonders what to do about the ten werewolves she just killed.
1028	HF	Crystal spires that once held CHOTH THE GOD-KILLER destroy anyone pricked by them. TURFIN, apprentice from 1022, appraises them.
1029	F	Hell-Reflecting River. 50' mirror-smooth stretch of river spawns vicious reflection-devils. They cannot breathe here and soon die.
1030	F	TEMPLE OF ZERI, Sky-God of Justice. Schism builds over whether to use the ROD OF HIERARCHY to turn Shedu spirits into Zerian angels.
1031	F	Dominated by ARCHIFEX CHEKA in 1030, the TROUT KING wears a bejeweled slave-collar, sacrifices his fish, and dreams of freedom.
1107	D	Sentient rowboat with a collection of dubiously scientific gnomish biology texts is trying to grow legs and walk on land.
1108	D	Lamia-haunted tower holds the VEXILLUM OF ZIVA, which holds 33 planar allies of Ziva and foes of the Emperor in its threads.
1109	D	White sands are in fact clouds above Hell. The damned burn 1,000' below. Grappling hooks give evidence of escapes...and a way down.
1110	D	Remains of a 1/2-mile dracolich slowly transforming into a single world-shattering spell, one rune-encrusted bone at a time.
1112	D	Oasis patrolled by hobgoblins who killed the desert nomad owners and don't yet know about the aquamedusa and kapoacanth guards.
1113	D	15 goblins infected by a growing-plague. The smallest (20') struggle to find enough food as gravity crushes the largest (50').
1114	D	Green-feathered fey jaguar drags a 100' sphere of damp rainforest with it across the desert, desperate to return to its own realm.
1115	D	ZYENN, failed horse nomad shaman, wears a magic-granting jade fragment from 0913. He hides his sickness from his 90 followers.
1116	HD	The hag VULU carries a bag of names. She buys names for 10 years of (healthy) life per letter and sells them as magic scrolls.
1117	HD	The wereserpent AJAGAR lies distended and helpless (except for her charm magic) after eating a whole young hill giant.
1118	HD	THE LAST WORD. Inn-fort 100' from the Word zone. INNKEEPER SHIVAIN has a bounty on the giant who "kidnapped" her paramour (1218).
1119	D	CARROCCIO OF LAUTHUNE, ancient and magical war-altar (spells: DEEP BLESSING, TIDE OF GLORY, HERO'S BLOOD) lost beneath the sands.
1120	D	Gnolls and slaves drag a funeral barge with their slain chieftain across the desert, seeking to usurp the elf-wraiths in 0926.
1121	D	Starry godling sent to redeem the orcish race already half-devoured by sneering, laughing ghouls. Scattered astral regalia.
1122	D	Broken road. If the dagger in 1219 is removed, the road reappears, along with the lich SAVARNA and his TOWER OF TWENTY-NINE ANSWERS.
1123	D	Deserted wagon contains a throwing-glaive, a sword that shoots other swords, and other stupid but deceptively useful magic weapons.
1124	D	ENAXILA THE ANTIDRYAD plots to annihilate the southern forest. She needs moonsilver and sunsalt to create an antitree to inhabit.
1125	F	Village of JIRAD, pop 330. Sheriff interrogates the petty-magus RABBAH, who tried to steal holy salt from the shrine of Kell.
1126	F	Immortal scrag acolyte of the Wolf Sheduf refuses to let anyone fish in its pond no matter how many times the Saint in 1024 kills it.
1127	F	MAD ORACLE of Voolma, Nightmare Goddess and the Icon of Screams, uses Thappa's curse in 0828 to hunt and destroy rangers.
1128	HF	Wolf-wraiths guard the Stela of Curses, a record of tribal betrayals and crimes to be unveiled if the Throne of Accar is restored.

- 1129 HF Legends say tossing a coin in the river-branch here lets you jump from one timeline to another; it only convinces people it's true.
- 1130 HF Brigands waylay burglars who stole a false Rod of Hierarchy from 1030. The treed burglars just killed their "useless" wizard.
- 1131 HF Talking owl claiming to be half of the owlbear god Derulo is really an automaton created to hunt long-extinct bear-wizards.
- 1206 D Sick dragon turtle full of parasitic kobolds needs someone to enter and save it. It's had no luck getting anyone into its gaping maw.
- 1207 D Sand-adapted angler fish drags its lure, which resembles a dying camel, across the desert to lure in carrion birds (or travelers).
- 1208 D Mad rootborn wizard ZOZONE has stolen the trunks of five elephants and whips them into service with his ROD OF THE PENTALASH.
- 1209 D Corpses of polar bears tossed about by a vortex elemental sent by Miribai in 1808 to spy on Zoxune in 1208.
- 1210 D Temporary geniekind bazaar full of genies, spices, slaves, and illusions. A rogue paladin from Theena (1014) has been murdering jann.
- 1211 D Fallen githzerai bounty hunter in crocodile armor rides an undead rhinoceros to 0920 to collect his reward for the massacre in 1312.
- 1212 D Terrified ogre with gems growing from his head and arms (escaped slave of Theeree in 1311) flees a duo of greedy dao slavers.
- 1213 D Cocoon cultists from 1008 tried to raid a caravan. Their arrow-filled corpses litter the sands as a Latu cleric prays over them.
- 1214 D Unmoving cloud of toxic chlorine fills a dry ravine. Wretched elf vampire hides in the chlorine and hunts stray merchants at night.
- 1215 D Huge rectangular stone blocks hint at unfinished statues. Temple of feral sphinxes holds broken tablets of golem-construction.
- 1216 D Angel of Melna weaves on a LOOM OF FATE the destiny of the Technogogic Imperator. She is behind and needs magic wool to catch up.
- 1217 D Marid-cursed temple of Zeri, god of justice. Magically drowned in seawater to bury its clerics' experiments in wishes and "justice."
- 1218 HD Hill giant herbalist brews shrinking potions to woo the innkeeper in 1118. The potion only worked once, and then not for long.
- 1219 HD A heart with a magic dagger through it in a cave filled with destroyed undead. Removing the dagger awakens the lich in 1122.
- 1220 HD ACCAR'S HILL. Where the tribes met before the fall of the last high king. Restoring Accar's throne (0829) may reunite the tribes.
- 1221 D Ghost-maimed desert nomad can point the way to Gesh's tomb in 1020. Jackalwere from Ecu in 0923 hunts the nomad to keep Gesh buried.
- 1222 D A flock of stonesheep, which petrify in sunlight, then revive at night. Gnomes and wizards value their photoreactive fleece.
- 1223 F The desert tribes slew the traitor Gesh here in the scrubby borderlands. Broken weapons rise at night to reenact the final battle.
- 1224 F Magic bottle once used to hold a void genie. Its corpse lies nearby, a void in space. 0625 and 1808 would both pay for the bottle.
- 1225 HF SHAXIS: werewolf chief, scheming merchant, Ootoonic heretic. Haggles with outer gods to sell the current moon and keep his powers.
- 1226 HF 40 forest barbarians feed intruders to a bag of devouring so huge (10') it's ready to burst and disgorge its transformed contents.
- 1227 HF Old-timey brontosaurus bred by Theeree in 1311 from outdated gnomish references cornered by sleek pack-hunting feathered raptors.
- 1228 M Ancient cave paintings create and sustain the source of the ERUSIN RIVER, which flows west. Sacred newt shedu mummies guard the cave.
- 1229 HF Out-of-control orc incubation beast. Swollen, porcine, mad with pain and rage, wriggling with orc-grubs.
- 1230 HF The Brides of Shoth, eight vampire rangers armed with arrows that turn into blood-sucking weasels a moment before impact.
- 1231 F Throne carved with runes that teach perfect kingship. The runes work; the perfect king is then killed by extraplanar maenads.
- 1306 D Laxshmara, pop 120. Voolma-worshiping drow fort-village in a giant clamshell that crawls across the ocean floor or up dry riverbeds.
- 1307 D Ant-headed psionic trolls regenerate all damage except psychic and thunder. Their "senex schism" mind-blasts disrupt clerical magic.
- 1308 D Shrine to Kell the earth goddess where 15 dwarf zealots chain down, castigate, and sacrifice "impure" rocks and gems.

1309	D	The "Serpentine Giantess." Seems mountain-size from a distance; up close just a half-ogre (about 7'). Has slain many "giant-hunters."
1310	D	TEMPLE OF MELNA, Goddess of Metal. High priest is desperate to stop his toothache (caused by 0517) before Kell cultists topple him.
1311	D	Rogue biomancer THEEREE OPAL breeds ogres and mimics to make bags of holding. She stole Akmon's spellbook to make the ogre in 1212.
1312	D	Village (pop now 150) hit by bounty hunter in 1211. Slain: chief merchant-alienist of Shaxis (1225), who had a buyer for the moon.
1313	D	30 Ootoonic corrosion cult sahuagin armed with sea cucumber guns that vomit forth their own guts to cause acid damage.
1314	D	Dwarven Kell cultists from 1308 rob travelers of their "impure" jewels for sacrifice ("pure" jewels are just stolen).
1315	D	The Throne of Painted Macaws (an Imperial satrap) has sent a witch-knight to capture the cleric in 0719; she plans to study with him.
1316	D	The Sea Cow, a pirate ship. Pirates under the minotaur captain SHOKOR wear sharpened horned helmets and learn to fight like a cow.
1317	D	Ex-guards of the inn at 1118 turned bandits. The high priest petrified their faces when they mocked Melna. One has a map to 0218.
1318	D	Pearl-panoplied nymph knight with LANCE OF THE TAPESTRY guards the road from bandits and any who might resurrect the lich in 1122.
1319	D	In her obelisk, a mummified cat guards the CROWN OF AQUILINE METAMORPHOSIS, awaiting the success of its champion in 1025.
1320	D	Lair of the Zerian angel in 0827, sent to stop the lion-eagle spirit Haplos in 1019. Countless scrolls: journals, spells, traps.
1321	D	Loxo ghosts command a tusk golem with a massive central cage half-filled with terrified sacrifices. Destination: 1521.
1322	D	Pool of skulls. Huge troll skulls in this alkali pool demand human bones for prophecies; 10% chance of taking bone from asker.
1323	F	Trees damaged by the Word of Serpents grow strange and drag on spells. Slowed spell zone. Spells take 1 extra round to go off.
1324	F	Rat king stretched over an electrified polyhedral dome: psychic enemy of the Throne of Rings and Mirrors (a satrap of the Emperor).
1325	HF	SHEJIN the oni, ally of Theeree in 1311, rides the severed rotting head of a celestial dragon, using the dragon's huge pearl to fly.
1326	HF	Amber stasis-coffin of URTANNAH, champion of Ziva, carried by dragon-headed golems seeking a cleric who can heal the Chimera Wound.
1327	M	Castle of the SAINT OF STOLEN FACES whose mask steals the face of anyone who removes it. Challenges visitors to mimicry contests.
1328	M	Goat-folk champion with colossal hollow horns that create wind-blasts and bring whispers from faraway lands.
1329	M	TEMPLE OF LATU. The high priest could not heal Urtannah (1326) and now seeks darker wisdom from the birds of 1418.
1330	HF	8 bandits led by IRKEI THE DRAGON-BULL, who is really two kobold fighters and one kobold illusionist in a trenchcoat.
1331	S	Lair of GOZ, Serpent of the Egg Within Itself. Banishes foes to private pocket hells; treasure includes MIMIC INK and ECU'S NEEDLE
1401	LF	GOLGAMMANNAH, CITY OF PAINTED HANDS, pop 800. Near-ruined port city. Created magically as a glory, melting with so few to admire it.
1402	P	Herd of 22 displaced Bigby's Hands thunder across the plains, stalked by a small pack of 4 Mordenkainen's Hounds.
1403	P	40 dead Sahuagins killed by drow from Laxshmara (1306). One bears an invitation to the aboleth mummy in 0622.
1404	P	A seaside cave large enough for a galley serves as the creche for a larval sea-god that needs 316 more human brains to be fully born.
1405	D	Inverse deep sea diver in bulky suit. Umbilical leads to water. Cracked diving bell; wearer exploded in our too-thin atmosphere.
1406	HD	Genius architect who made new castle for the Throne of Painted Macaws marked for death; hunted by jaguar warrior assassins.
1407	HD	Long-depleted White Ziggurat Age copper mine serves as maze/arena where captured humans flee monsters to amuse UX THE TROLL KING.
1408	HD	Knights of the Gecko Saint in 1508 hunt a witch-knight of the The Sugar-Cane Throne while she brews a sandstorm to escape.
1409	D	Traveling tinker and Melna cleric uses magic golden wires to repair iron, copper, leather, friendships, insanity, past mistakes...

1410	D	Short-term dimensional waystation used by couriers between the City of Brass and the Chameleon Duoverse. 10% chance of courier
1411	D	ZAR KANNAH, a White Ziggurat Age spirit reduced to a fragile whirlwind, desperate to grant clerical magic and regain its power.
1416	LF	Mosquito swarm carries "eidolon fever," which turns its victims ice cold and turns the heat from their fever into fire elementals.
1417	LF	DOMIO, pop 100. Villagers grow grapes and olives. Frequently raided by bandits, they believe the nymph in 1318 is a bandit queen.
1418	D	Legends say the gulls here eat people and re-form them as disciples of Latu the Sky Goddess. Other legends say they just eat people.
1419	LF	A lion-stag aggressively defends its kill--a juvenile treant--from a pack of gazelle-dogs.
1420	LF	Couatl alchemist seeks to invent a new color for its plumage and will pay for art and for interesting creatures' pigmentation.
1421	F	Huge lotus seed pod holds worried mind flayers. Lured to this world by promises of a moon for sale, they fear the couatl in 1420.
1422	F	Legendary rootborn "fire mage" ORPO THE GRAND is in fact a *fir* mage with awesome power over pines, spruces, other conifers.
1423	F	Deer buck with a spider in a web in its colossal antlers; their brains have merged to form a genius-level gestalt intelligence.
1424	F	Lair of MINN, Serpent of the Ulfire Pearls That Circle. Distorts gravity, causes blindness; treasure includes the IOUN BRIDE.
1425	F	Treasure map to 1219 tattooed on the skin of a mummified nymph. Anyone wearing the skin gains the tattoo and great beauty (charm at will).
1426	HF	Rangers mourn their slain after an orc ambush. They recite the LAMENT OF THORNS that will turn their fallen into wooden weapons and guardians.
1427	M	White ape pirates with clear brain cases smuggle radium guns to 1324. Their shipment is late; the mind flayers in 1421 awoke them.
1428	M	Sacrificial altar to Thar destroyed by a cleric of Kell (now slain) whose scripture, perverted, fuels the zealots in 1308.
1429	HF	30 slime goblins led by GLEEM, a kappa, and his hulking werecatfish lieutenant MESSICLE MANDRAGORA.
1430	S	Adventurers finish off a "frog god" (a petty-angel of Ootoon). Some loot its temple. The rest, all goofy on frog-licking, attack.
1502	P	The KNIGHT STOCHASTIC gains power (+1 temporary HPs, +1 to all d20 rolls) whenever a d20 is actively rolled within 20 feet of her.
1503	P	CHEZZIREI (half-elf scholar) seeks the fire mage Orpo to stop the spread of eidolon fever in Golgammannah's (1401) Jigsaw District.
1504	P	TREPANATORS OF ZISH offer clericism to any who open their skulls to Heaven. They seek an amulet (2805) to fight the cultists in 1013.
1505	P	Farmstead. Beneath: cultists of the larval sea-god in 1404 have learned how to harvest human brains and weave them into magic nets.
1506	HD	Any blood spilled on any of three 1/4-mile slate hexagons summons the hungry ghosts of trolls and, later, their elf-wraith jailers.
1507	HD	Last of the wild trolls that once hunted northern Tamera: slithering, formless gray predators who sold their teeth and bones to Ti.
1508	M	Castle of the GECKO SAINT. Opens his castle (pop 900) to any who can beat him in a vertical cliffside joust. Guards the BLACK ORB.
1509	HD	When stars appear through the crescent moon from this platform, clerics can call down astral flamestrikes with the amulet from 2805.
1510	D	Whirlpool of bones. Causes horrific slashing damage to anyone not armored head-to-toe; teleports to underwater cave in 1916.
1511	D	Diviner TULE MANI TULE scries victims of 0821. Cursed by a bee-spirit (2602), she breeds birds that look like flowers to hunt bees.
1517	LF	DALAH, pop 300. Cleric of Lauthune teaches a starving but clothed otyugh the concept of shame. Filth builds up in the village above.
1518	LF	Traveling necromancer knows how to turn breath into gold. In his wagon: Strange spun-gold sculptures, cats, asphyxiated corpses.
1521	LF	Abandoned loxo (elephant-folk) shrine of Thar the Tomb God half-restored by humans, which infuriates the lingering loxo ghosts.
1522	F	Death Knight champion of Thar the Tomb God. Bears an ax carved from 1028 and the hand of Ti, God of Wisdom. Seeks the rest of Ti.
1523	F	From his stolen wasp nest, MIREI the vampire, get of Shuthi, works to transfer his vulnerability from the sun to a long-period comet.

1524 F Signs of genocidal orc-on-orc warfare: burned-out caves, scorched corpses of orc children, poisoned incubator-beasts.

1525 F Woods dotted with vine-wrapped obelisks and regular solids that chime when touched. Lost shrine to Voolma (goddess of madness) below.

1526 F Drowned coliseum barely visible from the road. Giant geckos. Ghosts of White Ziggurat Age gladiators teach forgotten battle-arts.

1527 HF Kobolds have paralyzed the titan EKUMEDI with a Word of Serpents rune and now tunnel into his bones to extract magical marrow.

1528 HF Extradimensional ethereal-jaunting maenads armed with copper knives seek the "perfect king" in 1628, slaughtering as they go.

1529 HF The POOL WITHOUT NAMES. Bathing in it removes diseases, tattoos, brands, and prepared spells. People believe it nullifies oaths.

1530 HF LACVEI, pop 400. Village long ruled by a cruel baron until his defeat. Their new ruler is gone; people fear Baron Pethom's return.

1602 P Unmoving 50'-diameter acid sphere fills most of one section of the river. Water flows around it. Boats do not.

1603 P Cloudstone boat with 20 templars from 2203 seeking "Citadel of Astral Fire" (1509). Cleric captain wields the flail SUNDERED MEMORY.

1604 P Wide clear river with underwater petroglyphs depict dragons battling a titanic airship around the sun and moon.

3821 L LAKE SENNO is a melted clockwork fortress of magical ice that a single spell from the Book of Nine Secret Suns (3127) could restore.

3822 P The Soul Shadow Crystal. Sinners reformed by Zeri poured their sins into it. It's corrupted its guardians and now seeks a golem body.

3823 HLF Witch-knight of the Throne of Antlers and Iron leads plate-armored gorillas against the White Lion Bandits of Chorumaschku in 3825.

3824 HLF Castle of the cloud giant WEIA LUR. "Bricks" are elven coffins of indestructable glass. Weia seeks the grave of Princess Dothrei.

3825 M CHORUMASCHKU OF THE WHITE HANDS, albino cloud giant who has sewn rootborn wizards into his hands and tongue to blast his enemies.

3826 M TOMB OF THE EAGLE SHEDU. White Ziggurat Age relic. The priests there test COURAGE. Their reward is EYE OF THE NINTH CHROMATIC.

3827 IM Huge blue hands drift down from the sky to crush and rend, as this mountain is a child's toy in a higher reality.

3828 M Mammoths infected with brain-altering fungus seek high ground to be eaten by rocs. The fungus affects animals but not humanoids.

3829 HLF Horrid remnants of the treant-roper war: broken earth and trees, predatory limbs, fanged caves, magical treasures caught in sap.

3830 LF The Great Treant, ancient tree city gone haunted and feral. Divided into three warring clans, two of elves and one of hobgoblins.

3831 LF The SKY SAINT, a figure from the heretical New Canon of Lauthune, flees the King of Bright Teeth and his Voolma cultists.

3916 S Tomb of PRINCESS DOTHREI, Kell cleric reduced to a silver oracular head. She knows Voolma's plan (3722) but her acolytes ignore her.

3917 S Panther-bodied sphinx cursed by Thar the tomb god has lost her internal monologue and all her riddles. Her babble causes CONFUSION.

3918 P URDOTH, a werepenguin in a gnomish cryo-suit, hunts the fox-headed hydra in 3723 with the god-killing bow DREAMS OF CHOTH.

3919 P Dozens of sphinx riddles have escaped their owner's brain and now crawl across the rocks like mind-warping runic insects.

3920 HLF Alien castle made only of shifting gravity currents. Transparent, filled with treasure and monsters, all visible and hard to reach.

3921 P Elf druid AXORN wears an elaborate city occupied by tiny buds of the Great Treant in 3830. Pixies guard him.

3922 P "Flying fish" bulettes, like real flying fish, can only glide short distances (<1 mile). So there's nothing to worry about.

3923 P Five blind, venom-immune white mastiffs: medusa-hunters. Dangerous, but eager for a new master.

3924 HLF OAXA, now-bodiless flowering treant whose flowers can infect and purify corpses. Currently possessing 23 skeletons and a dracolich.

3925 M Huge "trepanned" storm giant crystall ball now filled with water and used as "orb of prophecies" by owl-masked clerics of Ti.

5225	M	MONASTERY OF THE CLARITY BEYOND WORDS. Vicious monks revere Voolma and master TINY MIRACLE STYLE, which conjures evil, fanged dreams.
5226	M	Angels carry people from an exploding riverboat they've time-frozen. One is a future apostle. Also frozen: hostile clerics of Shilaq.
5227	M	The APOSTOLIC NUMERATOR, a divine machine attended by AETHER KURETES, wants to find someone worthy of the Titan-Engines' power.
5228	M	Trio of mimic knights, demonic warriors with the power to duplicate any feat or fighting style, hunt atop their giant vulture mounts.
5229	M	The titan-wombats are marching.
5230	HLF	Road broken by epic battle between a wereporcupine and a manticore. Both are dead; quills cover a quarter-mile in every direction.
5231	LF	100' temporal golem, the true purpose of the hourglass in 5128, is now 90% complete. Archcleric of Voolma makes final preparations.
5232	LF	An ape has the golden helm of the Featherbeard Dwarf captain stuck on its head. Elite goblin assassins hunt it through the woods.
5322	LF	Sea elf wizard uses giant clams and special stones from 4822 to grow pearl arrows that can quench flame.
5323	P	A dryad hires the party to hunt the Memory Eater of Gwa. If they agree, they wake up in 5323 weeks later with no memory of that time.
5324	P	A candle lit from the bedside candle of Zeri, God of the Sky, burns here eternally in a tiny shrine.
5325	HLF	The GUT BIRD is a huge avian of living darkness that steals lengths of bowel for its shadowy nest. It has neither eggs nor chicks.
5326	M	Cloud bears wiggle up invisible streams to return to their airy spawning grounds. Huge salmon-shaped air elementals wait to eat them.
5327	M	Mirror eaters swarm from pits. Starved, denied even reflective pools, they aim for shiny swords but will settle for glossy eyeballs.
5328	M	Rings of ice rise from rock. Passing through them grants you ice magic and immunity to cold, but you melt when it's above freezing.
5329	M	The False Stone lets its wearer disbelieve in fire, water, or metal, and gain immunity to it while not being able to perceive it.
5330	HLF	The Throne of Wind, sustained by seven zephyrs, has failed: somewhere, a breeze is wounded. The guard-cleric of Zeri is troubled.
5331	HLF	Deserted inn. Quick knights--coffee bean golems wearing burlap sacks--attack, spreading their haste magic like a plague.
5332	LF	Treant necromancer ritually drowns spiders and ettercaps to extract their climbing powers and graft them onto his undead knights.
5422	LF	Pipe plague infects the forest here. Trees twist into the shapes of clarinets, oboes, trumpets, even whole pipe organs.
5423	LF	Crystals on copper wheels here let you rearrange the constellations in the night sky. Not the stars, just the constellations.
5424	LF	Arrows carved in trees are only half-visible and lead to a hungry green dragon; seen in moonlight the marks reveal a candle (5324).
5425	HLF	The SAINT OF BLACKENED LIPS. Opens his castle (600 troops) to any who can best him in a contest of spreading lies.
5426	HLF	Centaurs flee in terror, offering prophetic warnings: butterflies have entered their cocoons and soon some new thing will emerge.
5427	HLF	River full of all-but-invisible glass alligators created by the wizard Milocius (5431).
5428	HLF	A dead infernal dragon full of huge, ever-growing maggots. Many of them now have person-like faces and want to learn language.
5429	HLF	From a carved platform here the moon appears to be flooding. Leaving restarts the process. Watching too long summons water weirds.
5430	LF	Assassins of the THRONE OF CARP AND LILLIES clash with beguilers of the SAINT OF BLACKENED LIPS. The combatants are all invisible.
5431	LF	The BAFFLED DARKDOG TAVERN. Contains a secret blue-black ANTITAVERN on the ceiling where wizards drink cocktails from hourglasses.

5524	LF	Remnants of Alwyze's Festival of Cleansing (5220) wash up here to form a floating filth-mass of cancer elementals and scab golems.
5525	LF	MILOCIUS ritually kills lions, anointing sacks with their blood to create the invincible burlap hides of his quick knights (5331).
5526	LF	Sap golems of Milocius (5431) slip from among conifers under the ground, rising to animate trees and attack with their sticky claws.
5527	LF	One of the seven zephyrs that sustains the Throne of Wind (5330) hides wounded in a hollow tree after an attack by witch-knights.
5528	LF	River fortress of the THRONE OF CARP AND LILIES, who faces mutiny by a witch-knight who wants to become the Prince of Wind.
5529	LF	Balubith the Harpy. Her song, instead of luring people off cliffs, has the power to create cliffs of force in midair.
5530	LF	The Pambo Burglar Gang, former pirates dimished after a shipwreck. They employ Balubith (5529) to wreck ships, paying her in teeth.
5531	LF	Clouds here grow denser, more treelike, before thickening into an upside-down forest of white conifers haunted by pearl apes.
5623	LF	AMBERSNIP, pop 600. Ambersnippians believe they will be remembered as a legendary nation of philosopher-kings in the distant future.
5625	LF	Someone has carved the elvish glyph for "bamboo" into these monoliths. They're growing over a yard a day.
5626	LF	Storm giantess weaving a shawl of lightning for her slain husband. She needs the Throne of Wind restored before her work is done.
5627	LF	Herd of PLAGUE UNICORNS, normal horses infected with Ootoonic mushrooms that grow from their skulls, try to ram the party's horses.
5628	LF	SKARAMAXIS, pop 800. Village built into a giant's cottage. Secret sacrifices "keep the giant away" and serve a demon's soul-hunger.
5722	LF	TEMPLE OF VARUZ the Sea God. Paranoid, treacherous hierarch convinced the Throne of Wind will destroy Varuz if re-occupied.
5723	LF	The SIRENS OF YIX, three women with hair tangled together like a rat king. They dispose of the Hierarch of Varuz's enemies.
5726	LF	DWEE, pop 900. Dogheaded Latu cleric claims she's a "fairy-gnoll" and her people endure enchanted sleep while false gnolls run amok.
