

Community Group Covenant

As a member of a Church on the Hill community group I am committing to

- **Make the group meeting a priority** - meaning I will make showing up for group a priority. If I couldn't have told you at least a day in advance I wouldn't be there and if it is not an emergency keeping me away then you can count on me to be there and engage with the group.
- **I commit to keeping what is shared in the group confidential** - What others say is safe with me because I will not share stories or retell things that are said in group unless given permission to do so.
- **I will not condemn, judge or try to fix others in the group** - I understand the group is intended to be a place for people to share and process and I commit to doing my part to keep it a safe and friendly environment that promotes vulnerable and deep connections. I also will not give advice or tell others what they should do unless they directly ask for that.
