Annual Board Plan'

Board Goals

Monitor Student Engagement:

Communicate the story of our school performance and culture to the board, the staff, and the community at large, including highlighting areas of need and growth, specifically for our traditionally underserved communities.

Board Governance Committee:

Center equity at Board Meetings, lead board evaluation process, Executive Director evaluation, and set strategies for board governance improvement.

Financial Committee:

Ensure our resources are applied where most needed to support our mission and vision, evaluate current needs, and consider and evaluate opportunities for short and long-term sustainability

Strategic Plan

The Board will ensure that the school reviews Avalon's mission, values, and specific strategic plan five year goals. That oversight includes a process of timely feedback.
