

Dear Parents and Guardians,

We hope this message finds you well. We are excited to remind you about the upcoming Total Solar Eclipse on April 8th. This celestial event presents a fantastic opportunity for our students to witness science in action.

Here are some important details:

Date: April 8th

Event: Total Solar Eclipse

Duration of Total Darkness: At least 4 minutes

Distribution: Your student will receive a pair of eclipse-safe glasses for viewing.

While our students will be out of school on April 8th, we encourage you to take advantage of this educational opportunity as a family. Experiencing the eclipse in the path of totality is rare and can provide a memorable learning experience for everyone.

Please mark your calendars and ensure your child has their eclipse-safe glasses ready. Thank you for your support in making science come alive for our students!
