4. Old Business

a) Discuss school pictures- could we get a guarantee on a timeline from Mr. Tyrell for next year?

-We like the quality of photos, photo options, and how early they came and took the pictures, we like that we can support their program.

-We would like to have them back by Christmas next year.

-Mike will check if they could have them back to us for Christmas, if so we would like to book them again for early September.

5. New Business

a) Gr 7 students return to Dunstable to prep grade 6 students? -Kerri

-Kerri would like to have some grade 7 Dunstable students come back and talk to the grade 6's to share what they experienced/would have liked to know etc. Pick a date soon. Make a list of questions ahead of time so that the grade 7's could prep their responses. Mike will talk to Taylor about the plan and setting a date and coming up with questions.

b) do teachers want clothesline for melt-y days? -Barbara

-was brought up last year and we forgot to move on it. Mike to talk to staff about what they would like and how we can help/cover costs to make it happen.

c) council of school councils update- Barbara

Ideas for fundraising:

- sell VIP seating for Christmas concert (Busby does this – 2 seats \$5, 4 seats \$10 as a raffle. They usually do first row which is about 40 seats) (Plan to bring this up in November to do.)
- do a Spring Tea 50/50 raffle
- school council engagement grant \$500 is available for us to use. (Busby had the Zebra Center come and talk last year about abuse, specifically online awareness and knowledge around online safety for kids). Barbara is going to look into booking this organization to use our grant.

d) Kerri brought up if we wanted to do the home alone/stay safe course again. Aubrie is going to look into the details that Busby is doing and get back to us on Dunstable doing it too.
