The Galaxy’s Greatest Series 2026

Player Pack

The Galaxy’s Greatest Series is a combination of MCP events run across multiple venues over the course of 2026 to determine the top 16 players leading to a final invitational event held in December to crown the true Galaxy's Greatest.

Venues

Currently we are running The Galaxy’s Greatest series across nine venues, these are Protech Games, Tritex Games, JustPlay Games, Boards and Swords Hobbies, Northern Alliance Games, Common Ground Games, Element Games Stockport, Firestorm Games, Sons of War Gaming Club Cambridge. Event tickets can be found on their website, bought in store or by contacting the relevant TO.

You may participate in as many Galaxy's Greatest events as you wish over the course of the year but only your best 5 scores will be counted towards your final end of year score and will determine the final 16 competitors.

Purpose

The purpose of this series is to create something a bit different within the community, something fun that people can aim for over the course of a year and to help these events thrive. If you're potentially worried that this sounds a bit too competitive and that's not for you, don't worry, if you have attended an event hosted by any of the below TO's below then it will be the same event you're used to attending, there is just a spreadsheet kept in the background to organise end of year placements. If you wish not to be included in the end of year ranking please let a TO know.
