

# STARS Credit FAQs

## **1. How do I get registered for STARS Credit?**

There is no formal registration process. Just enter your STARS Registry ID on the Participant Information Survey sent with your first session evaluation.

## **2. How many credits can I receive?**

This is no limit to the number of STARS credits you could earn, except the limit given by the number of sessions available. Last year we had participants earn between 1 and 9 STARS credits.

## **3. How much is the credit fee?**

There is no cost - it's free!

## **4. Can I receive STARS Credit for both semesters?**

Yes. UW ECHO reports credit to STARS in December for the fall semester and June for the spring semester.

## **5. Can I earn STARS Credit for watching past session recordings?**

No. We are unable to award credit for viewing past session recordings.

## **6. What are the requirements to earn credit?**

The requirements are as follows:

- Completion of the UW ECHO pre-test and indicate that you will be joining the Assistive Technology, Autism & Positive Behavior Supports, and/or Early Childhood network sessions.
- Attend the live sessions in the above networks AND complete the session evaluations that are emailed to you after each session.
- Completion of the UW ECHO post-test.

## **7. When must all my credit requirements be completed?**

The pre-test will be included with the session evaluation for your first session attended.

The deadline for attending sessions, submitting session evaluations, and completing the post-test is May 26th.
