

Butterrobber202: im fake but not gay

The Senpai: if it hasnt been built yet how do others use it?

Kozi32: you're gay but not fake

Butterrobber202: we had to give a speech in English today

Butterrobber202: like it was suppose to be 3 minutes long

Kozi32: What was your speech?

Butterrobber202: I got weapons during the elizabethan era or something

Butterrobber202: okay.jpg

Kozi32: about great german country?

Kozi32: Oh

Butterrobber202: slap together some pictures

Butterrobber202: took 10 minutes

Aggarerth: is it even possible to remove kois smudges from within the glass walls without disassembling them? or is rnd doomed to remain dark?

Butterrobber202: y

Butterrobber202: end me

Butterrobber202: got a 98 tho

Butterrobber202: so yeet

Butterrobber202: >GROWING BLACK KOIS IN RND

Butterrobber202: lmao

Butterrobber202: you deserve it

Kozi32: BLACK?... Shoot it!

Flimango: please do not ick ock

TG_Griffin: Smelling some lcky Ooky

Butterrobber202: hey man I'm lobby sitting until i can call CT

Kozi32: Murricans Police officer doesnt like to meet black kois

Butterrobber202: ^

Butterrobber202: hey Moony are you here

Moonythehuman: yes

Kozi32: dont lie... he's on the Moon

Butterrobber202: make helperbot-4

Butterrobber202: do it

Moonythehuman: nu

Moonythehuman: well, maybe.

Butterrobber202: :(

Butterrobber202: we shall swarm the station as Helperbots

Butterrobber202: basically I made helperbot because I wanted to play a Cyyborg with arms

Menown: i love prate, tbh

Butterrobber202: i love you menown, tbh

Butterrobber202: <3

Butterrobber202: >doesnt respond

Menown: don't make it gay

Butterrobber202: oh noes

Kozi32: Cyborg with arms?

Kozi32: What the hell is that abomination?

Butterrobber202: cyborgs do not have arms in the code

Butterrobber202: so

Butterrobber202: lmao

Kozi32: Kill it with fire!

Kozi32: A witch weight is equal to duck

Rippley_dagasd: fuck you

Moonythehuman: Does blowing a borg destroy the posibrain?

Butterrobber202: woah now

Menown: don't blow a borg

Moonythehuman: ignore

Menown: that's illegal

Priority Announcement

A crew transfer to NTCC Odin has been scheduled. The shuttle has been called. It will arrive in approximately 10 minutes.

PM to-Staff : yo about this warning, I thought the guy was referring about something that happened in a previous round, I had just joined and was in the lobby. I havnt entered the round to get any IC infomation about the current round to post in OOC

Your adminhelp will be tended by tggriffin. Please allow the staff member a minute or two to write up a response.

Butterrobber202: ooc hey guys

Butterrobber202: oh shiz

Butterrobber202: anyways

Scheveningen: So. Did you know that how juicy a fruit is also gives it an unstable quality along with the "internally unstable" fruit trait?

[Trial Moderator PM] TG_Griffin: Make sure in future you check if something said over OOC could be considered as IC-OOC. Generally anything pertaining to the round, whats going on or in reference to an event will be seen as such.

Kozi32: ooc ooc hi butt

Resilynn: ooc ooc hey

Butterrobber202: Menown's law

Butterrobber202: traps are GAY

Menown: hate

Rippley_dagasd: ooc ooc ooc ooc ooc ooc ooc ooc ooc ooc ooc ooc hi

Scheveningen: Meaning if a plant is both internally unstable and juicy, it doubles its explosive area of effect.

Scheveningen: Furthermore, if it is temporally unstable, it teleports EVERYONE that gets hit by it in a huge AOE.

Then the server crashed.
