MEETING MINUTES

- **Topic 1 – WP3 progress**

Task A2 has been finalized and it is available on the project shared directory: https://drive.google.com/drive/folders/1r_Abh4rpaB0sLQSZm4F5AOdVinyxWqKt?usp=drive_link. About the remaining activities, please cf. the next agenda topic.

- **Topic 2 – WP3 A3 progress and Intervu course participants recruitment**

An onboarding session for the Intervu online course deployment has already been carried out with IP Santarem, and the students have started the activity. The planning of onboarding sessions for the rest of participants was discussed, and appropriate times were identified. In parallel, a public invitation to join the course, targeting VET learners, was also published on the social media channels of the project.

- **Topic 3 – Tallinn project meeting**

The agenda of the meeting was discussed, and details were given about the venue
