Subject line: How real life heroes are born

Little Jack got beaten, it's not only life. A bigger guy put him down with no mercy.

Jack had all the good intentions to defend a woman getting robbed,

But almost got himself KILLED.

He knew martial arts, but still he wasn't ready for a real life fight.

On the streets there are no rules, you either survive or die. Jack wasn't prepared to survive, there was only one way for him.

The robber shouted to stay down while he was still robbing the woman, finally Jack lost consciousness.

Flash lights of cameras everywhere, the chief of police shaking hands with a big guy in front of the mayor's office.

Jack was little no more,

He was a different man,

Prepared to deal with the demons of the real world.

He put down 2 robbers who were robbing a defenseless old woman.

Now he was ready to survive.

Jack followed 5 rules from Charles Atlas, the strongest man alive.
