

Redding Monthly Meeting of the Religious Society of Friends

Business Meeting Minutes July 9, 2017

In attendance were Sue Morehouse, Kathleen Findley, Tom Morehouse, Doris Bond and Beth Thompson.

Minutes: Minutes from the June Meeting for Business were not completed and posted online.

Review of Mail: The mail received since our last meeting was available for review. There was some discussion about whom had agreed to serve as the M&O Committee.

Treasurer: Our bank account is \$2,912.06.

Interfaith Forum: On summer hiatus.

Ministry and Oversight Mid-week meeting will be Wednesday (Third Wednesday each month) July 19 at 6:30. Location is 740 Lake Blvd where Steve has been in residence.

Due to calendar and schedule conflicts, the August Dinner Among Friends has been cancelled.

At our worship sharing meeting with the College Park Quarterly Meeting (CPQM) representatives, Erika discussed, but did not request, a clearness committee for herself. In his email, Doug suggested consideration of either a clearness committee or perhaps it could be termed a support group. Susie will contact Erika to follow-up.

Doris will contact Faithworks staff to find out who if anyone is living in the apartment that we sponsor.

Susie set-up a date and time for M&O members (Susie, Kathleen and Doris) to meet for lunch. M&O will discuss topics including following up with the report we received from Jim Anderson and Sandy Kewman from CPQM M&O.

Old Business Remember our 2017 goal to get rid of stuff and to simplify our lives.

New Business With approval Kathleen will purchase a portable coffee pump dispenser that will make it easier to transport coffee from home instead of brewing it on-site.

Kathleen will contact a website that is falsely depicting our Meeting.
