

The Title of Paper Should Less Than 15 Words, Book Antiqua Type, Align Center, Bold, Font 14, 1 space, With 0 pt After

First Author¹ and Second Author² (font 10)

¹Institution/University, Email.

²Institution/University, Email.

ABSTRACT

The abstract should consist of a single paragraph containing 200-300 words (in English). The abstract should at least include the purpose of the study, the methodology/ approach, and main results or findings. It should be a summary of the paper and not an introduction. It is recommended he abstract could also contain other results or findings, implications, and the novelty of the study. (Book antiqua, italic, font 11, 1 space)

Keywords: *Islamic Economics, Social Finance (3-5 words)*

INTRODUCTION (font 11, Space 1.15 with 6 pt after)

Background (Book Antiquatype font 11, Space 1.15 with 0 pt after)

The section consists of backgroud of the study. The title use font 12, Book Antiquatype, title case with 0 pt spacing to the body text.

Type each section heading on a separate line using the appropriate style from the style list. Sections should be numbered sequentially. Paragraphs that immediately follow a section heading are leading paragraphs and should not be indented, according to standard publishing style. All quotes or other references must use bodynote

Objective

The section consists of objective of the study. The title use font 10, Book Antiquatype, title case with 0 pt spacing to the body text. Use font 10 Book Antiquatype for body of the text with 1.15 spacing between lines, with 6 pt after.

LITERATURE REVIEW

Background Theory

This section consists of theory that support the research. Figures and Tables should be numbered in the order. Figures and Tables are numbered in the order. All figures and tables parts must be labeled 1, 2 etc.. The table example is as follows:

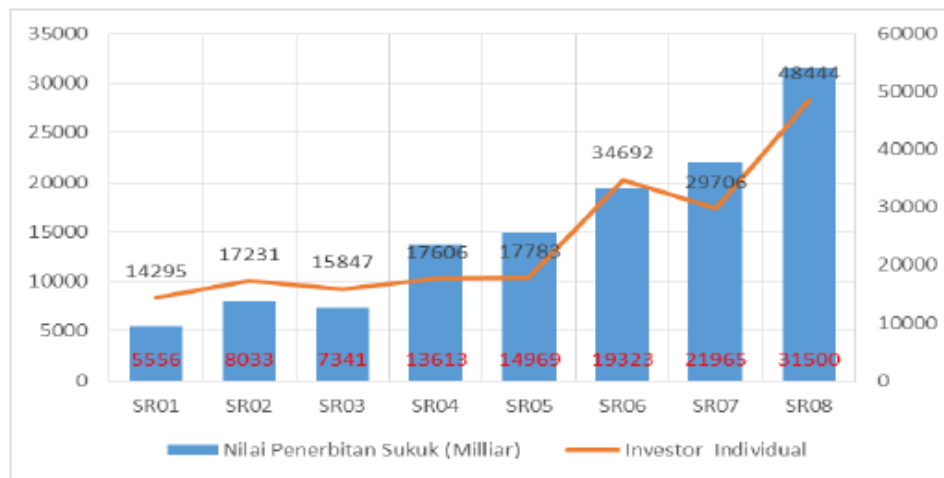

Table 1. (Book Antiquatype, font 10, 1.15 space)

Chapters	Font Size	Pt After	Font Style	Font Type
Article title	10 pt	0		Book Antiquatype
Table/Figure title	10 pt	6		Book Antiquatype
Table/Figure content	10 pt	0		Book Antiquatype

Source: GIFR, 2017 (Book Antiquatype font 7, single space)

Previous Studies

This section consists of previous studies that support the research. Figures and Tables should be numbered in the order. Figures and Tables are numbered in the order. All figures and tables parts must be labeled 1, 2 etc.. The figure example is as follows:

Source: rakpanan, 2016 (book Antiquatype font 1, single space)

Figure 1. (Book Antiquatype, font 9)

METHODOLOGY

Methodology consists of data, model development and method used. The paper can be either quantitative or qualitative. However, if the paper is quantitative, equations may appear in line with the text, if they are simple, short, and not of major importance; e.g., $a = b/c$.

(1)

Data

This section consists of explanation about the data used in this study and why, with respect to the requirement of the method(s) used.

Method

This section consists of explanation of the method(s) used, and why it is (they are) used. Why not other methods. Refer to the original references of the inventor of the method first, then refer to others, such as journals and/or international textbook.

RESULTS AND ANALYSIS

Results

This section consists of presentation of all the results in tables, graphs, etc. and the description of those numbers and figures.

Analysis

This section consists of critical discussion on the findings, explanation of the novelty of the results of the study, justifications of the results, and discussions how do the results differ or equate to other related studies

CONCLUSION AND RECOMMENDATION

Conclusion

This section consists of explanation of the findings of the research questions. And, if any, the explanations of other findings.

Recommendation

This section consists of recommendations for practitioner, regulator and academician, based on the findings of this study.
