

There are three different Governor's programs: the Governor's Scholars Program (GSP), the Governor's School for the Arts (GSA), and the Governor's School for Entrepreneurs (GSE).

GSA (sophomores and juniors only)

The GSA application opens Nov. 3. Information concerning the program can be found at the following links:

GSE (open to freshman, sophomores, and juniors)

The GSE application opens Nov. 15, and you can find more information at the following links:

Application Page: <https://kentuckygse.com/apply/>

GSP (Must be a junior)

The GSP application is currently open. You can find information about the program on the home page listed below:

Website: <https://gsp.ky.gov/Pages/index.aspx>

Application and form page: <https://gsp.ky.gov/applicants/Pages/Applications-and-Forms.aspx>

If you are applying for any of these three programs, you should be requesting recommendations from teachers and community members. You also will need to gather a list of extracurricular activities, service, and honors earned.

There will be two additional workshops offered by Mrs. McCay to assist you in completing your applications.

- Wed., Nov 17
- Tues, Nov. 30

GSP applications must be submitted by December 3 to either Mrs. McCay or me. The District GSP Committee will meet the week of Dec. 13th. Students will be notified prior to Winter Break if their application will be submitted to the State to be considered as a GSP finalist.

The Commonwealth Honors Academy is another program students may wish to consider. There are specific documents for this academy as well. However, students can typically copy information from their GSP application to their Commonwealth application quickly.
