Terms and Conditions Initial_____Date_____

1. The animal(s) shall be in a healthy condition, free from contagious, infectious or transmissible disease unless the animal is being shipped to a veterinarian facility on an emergency basis. In that event, Carrier will only ship the one animal with the health condition. The Owner is responsible for all health certificates required for shipping. These documents may include a current negative Coggins, a veterinarian's health certificate, and/or a copy of the registration papers both sides, among others.

2. The Owner agrees to provide a halter and rope for each horse, shipping boots & wraps are optional.

3. The Carrier shall exercise generally accepted professional standards in the care and supervision of the animal(s).

4. The Owner agrees that the Carrier, or the Carrier's agents, are not liable for death, sickness, injury and/or accident, including consequential damages caused by the animal, to himself, caused to other animals, or third parties, unless such was caused by the willful and wanton gross negligence of the Carrier. In such event, the Carrier shall be liable only to the extent of the actual damages and in no event to an amount greater than the fair market value of the animal(s), not to exceed $15,000 total.

5. The Owner is responsible for all insurance on Owner's animal(s) and personal property during shipment.
