Today's Learnings: Wisdom or lessons learned from the day

* Victories Celebrated: Accomplishments and successes of the day
Sent 4 outreaches
Stumbles Along the Way: Points of difficulty or mistakes made.
Tomorrow's Illuminations: Plan how to improve and progress the next day.
 When you have to do a school homework, do it at your best but do it like you do a G work session so with absolute focus and brain calories concentration so you get it done faster. Prepare lunch faster, don't go slow just because you get to do it 30 minutes earlier. Those 30 minutes must be spent working. Try to merge the second and third paragraph in your outreach to make it shorter and get straight to the point faster. When you unexpectedly have to do something that goes off your plan, first take some distance and OODA loop which is the best course of action to get the best possible outcome you want in that moment.
Consistencies to Keep: Recognize what worked well and should be repeated.
Copy work and training
▼ Communications: Identifying individuals to connect with.

Pending Missions: Tasks that remain uncompleted

Waking up and going to sleep on time, writing copy, sending 7 outreaches, reviewing personal copy, reviewing lessons, sharing and reviewing them, doing missions, helping students, doing get client challenges #1, #3 and #5, watching social media lessons, stretching, reading and playing chess games
