

<https://youtu.be/7jrrqmz9j00> - how to cut

Porsche Purple- green

Size:

Arnika yellow-White

Pippa dark blue-light pink

Teacups - Arnika, Pippa, Porsche

We Need: two tyres or three. You need to cut one of the other

Animal frog - Judah, Thomas, Mason.

We Need: three tyres two small tyres two bowls alcathene. red green blue paint, black plastic skinny wood. First you paint the tyres green. Secondly you stick the small tyres onto the the top tyre. Then you put the tyres on each other and paint the bottom bits of the bowls blue.

You then put the alkathene under the top tyre and at the end of the alkathene attach the skinny wood and paint the skinny wood green. After that you cut the plastic into small strips and you stick the plastic onto the eyes. Lastly you stick the bowls into the holes in the eyes.

Animal ladybug - Renee, Taitania, Mackenzie W.

We Need: 2 tyres different sizes, a sharp knife to cut it, paint(red black white blue) we need 2 paint brush, 2 fly swats, a black pot plant pot. the first thing we would do is cut a half circle in the front of the biggest tyre. then we would sit the small one on top. we will paint black dots on The ladybug. 2 antennas. we need

Animal snail - Heidi, Erikka, Sophie o

Minion - Jordan, Jacob, Liam, Charlie We Need: 3 Tyre's black,blue,yellow and white paint. We need a piece of tin foil and poles and dirt for the plants. Then we will get a shovel and a rack and the minion will hold them. To make the minion you first need to stack 3 tyre you need to paint the top yellow with a one black stripe around the top. We need to get some tin foile for the eye and then we will need to a black raber band.

098Tyre garden - Isabel,Courtney, Aylah

We Need: Blue, Red, Orange, yellow,Green Light blue, Blue, Purple, Violet, Pink, White and Grey colour spray cans, 6 little tyres and 15 big tyre flower, veggie, chicken green seeds. Clay chicken models and lots of dirt. Step 1: find 15 tyres and 6 small tyres and paint the tyres the colours you chose and leave them to dry for 1 hour, they should be dry. Step 2: Stack the tyres up the way you want, then fill them with dirt 3 quarters the way up. Step 3: Plant the seeds in the tyres and water them a little. Step 4: Start putting the chicken models in the tyres wherever you want. Step 5: The plants will grow in about 14 days. Now you will have a beautiful tyre garden to enjoy!!! Enjoy the recycled tyres, you can make more of them to decorate your place or environment. Where it is: By the grape vine right side.

Tyre chairs - Pascoe, Ephraim, Mackenzie C

We Need:Two tyres, different colored paint(Purple, Green, Black, Orange and White), paint brush, a sharp pointed knife, a sharp kitchen knife,
