

Sora is Rosemont's "digital library" with a collection of eBooks (words on the screen), eMagazines (magazine pages on the screen), and audiobooks (books you listen to, no words or images to view).

Steps to load Sora onto a device

1. Go to your device's app store and download Sora for free.

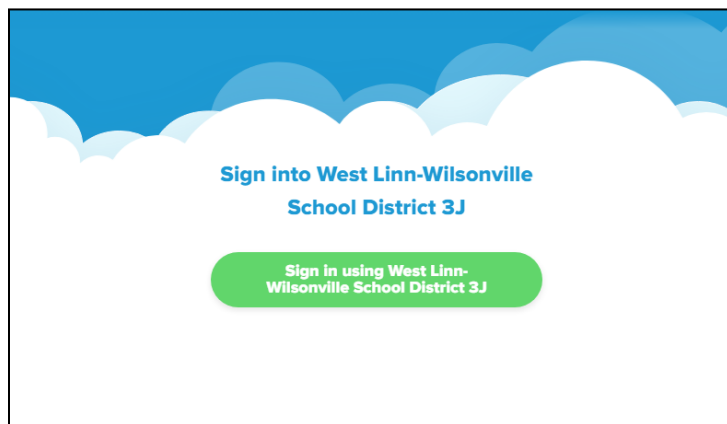

2. Open the app and enter your school's name. If you get the green box with "My school is West Linn-Wilsonville School District," you are in!

3. Now you will be asked to log into West Linn-Wilsonville School District 3J. Click the green button. Students should use the school email and the password they use to log into Chromebooks at school.

_____@rrms.wlww.k12.or.us

4. You should be in!

Sora tips!

- Use the "read sample" or "listen to sample" button to try a book before checking out.
- Use the "Filter" to help focus your searches. Select "Filter" (located at the top of the homescreen), then "Format," and select "eBooks," "Audiobooks," or "Magazines" depending on what you are looking for.
- Add the **Public Library Collection** by following [THESE INSTRUCTIONS](#).
