

- D.O.D - January 30, just before 10P.M.
- P.O.D - 2677 South 77th East Avenue, "Terrace Park"
- C.O.D - Shooting
- Victim - Dylan Wade (23 years old)
- Suspect - Unidentified man (? years old)
- Details - Both the victim and suspect are friends of each other and the shooting appears to be accidental. They both had the legal right to own firearms, and were sitting in a red Hyundai parked outside Terrace Park, on S 77th E Ave. Based on info from an officer on scene, the two were messing with their handguns, possibly showing it off to each other, and the suspect allegedly didn't know his gun was loaded. At some point, it discharged, striking Dylan Wade near the shoulder area. Police were called, and Wade was taken to a hospital where he later died.
The suspect is a tribal member - however no charges have been filed as the death is determined accidental.
