## EMAIL ADDRESS

(單行文字) contact@sitcon.org

## COUNTRY

Taiwan

(單行文字)

## OPEN SOURCE ORGANIZATION OR PROJECT NAME

Students' Information Technology Conference (SITCON)

(單行文字)

## PROJECT DESCRIPTION

“Describe your project in 1-3 sentences.”

(多行文字) (256 chars)

SITCON is a non-profit organization & conference self-initiated by students across East Asia, devoted to introducing students to the IT sector and the ideologies of the open source movement. We've been experimenting to organize events with GitLab boards.

## PUBLICLY VISIBLE PROJECT ON GITLAB

“Add a link to your publicly visible project on GitLab.

Example: [gitlab.com/your-project-namespace](https://gitlab.com/your-project-namespace)”

(多行文字) (256 chars)

Org: <https://gitlab.com/sitcon-tw>

Board for 2024 Camp: <https://gitlab.com/sitcon-tw/camp-2024/board>

Board for 2024 conference: <https://gitlab.com/sitcon-tw/2024/board>

## OSI APPROVED LICENSE

“Link to a license file in your GitLab instance”

<https://gitlab.com/sitcon-tw/camp-2024/board/-/blob/main/LICENSE>

## NOT SEEKING PROFIT

☒ I ~~certify that project maintainers are not seeking to make profit from this project by, for example, selling services or higher tiers.~~

(Optional) Please add any links that will help us verify that this project does not generate money for you. Fundraising campaigns to support your project are ok.

(多行文字)(256 chars)

Our members are all unpaid volunteers and events are free to join. Expenses are covered through donations to Open Culture Foundation, our umbrella organization.
