

## **A Night to Discover: APS Student Learning and Community Partnership Showcase**

Now in the second year of this annual event, [A Night to Discover: APS Student Learning and Community Partnership Showcase](#) is an opportunity for APS staff, students, families, and community organizations to come together as students throughout the district display their learning experiences and local community resources share information about their services and programs. **The goal of this event is to bring all stakeholders from the community together to celebrate student successes and share resources.**

Attleboro High School

6:00-7:30 PM

**Doors open at 5:30 PM for setup**

### **Information and Tips for Community Resource Tables**

- Doors will open at 5:30 PM for setup
- There will be two entrances for Community Resources and Organizations. You may enter through **either the front or back entrance** (parking attached). You can park in any open spot when you arrive.
- Depending on parking, there *will be a short walk to your table*. Please prepare accordingly and consider the walk when planning to transport any materials you will bring.
- Each table will have two chairs.
- *We recommend that each organization bring 2 individuals*. This will allow you to walk through the event without leaving your table unattended
- Tables will be labeled with your organization name on **dark blue paper**.
- The Night to Discover planning staff will be wearing white t-shirts. Please approach any staff member with questions.
