

**From the Desk of Ms. Fellin**  
**September 2023**

**Dear Parents, Guardians, and Students:**

It is my pleasure to welcome you to the AP Psychology Course. I hope all of you enjoyed your summer and are well rested. It is my goal to provide every one of my students with a challenging, rigorous and an enjoyable experience in the classroom as well as online each and every day!

AP Psychology is a demanding course and I want my students to be well prepared for the AP exam and more importantly for the rigor of college. Therefore I humbly ask for your support to maintain those expectations by checking with your son/daughter periodically to make sure that his/her work is being done. Please be aware all my assignments are posted online throughout the year and they will be continually updated. The best way to contact me is by [email](#). I look forward to a positive and productive school year. Thank you for your time and cooperation.

Respectfully,  
Ms. Fellin  
AP Psychology Teacher
