Abstract. This template explains how to prepare your abstract for International conference-Mandakh-2027. Please make the page settings of A4 format (21 x 29.7 cm or 8 x 11 inches) with the margins: bottom 1.5 cm (0.59 in) and top 2.5 cm (0.98 in), right/left margins must be 2 cm (0.78 in). Length of the abstract is **ONE PAGE** including title, authors' names, addresses and email addresses. Type font should be Times New Roman 14pt for title and authors' names, Times New Roman 11pt for full addresses and email addresses and Times New Roman 12pt for abstract. The title should appear at the top, centered, and in bold. The authors' names should appear below the title, centered. Each author's name should appear as a first name, diddle initial (if applicable), and last name. A superscript numeral should designate the author's organization ([1, 2, …]), email address ([a, b, …]) and corresponding author ([*]). For each separate organization, the superscript numeral should appear followed by the address. Next, email address for each author should appear. The email address should be double checked since it will be used as the primary means of contacting the authors. No page numbering needed. You may include figures and some literature references (see example below). The conference organizer reserves the right to edit the abstract for grammar and format since it may be used in the final program.
