

ALL DATES GO FROM OLDEST TO MOST RECENT, PLEASE BE PATIENT WITH APP CRASHES

Update 1/29/2020: This is the last day of the app-Thank you to everyone who has kept up our lead for months now, as our lead is now over 1 Million points (but don't slack off, It's not quite over yet). While this will be a good accomplishment, don't forget to phonebank *top priority*-visit the following link: (<https://www.yang2020.com/call/>), textbank, and canvass given that the Iowa Caucuses are only 5 days away. This is crunch time, I believe in the Yang Gang to go into overdrive in Iowa and perform well. Also, shout out to any Warren supporters here who gave us some nice friendly competition during the course of this app, and best of luck to you in Iowa!
