Hello, my name is Vasiliy. I work as a Managing Director of the Coal Company Shining Mining. I have a lot of tasks every day. I start my work at 9 and sometimes my work doesn't finish. No, I am just kidding. But sometimes my working day finishes at 11 o'clock at night. I am responsible for many things: I manage mining projects, I set goals and deadlines.

My team buys mining equipment, communicates with coal traders, controls the safety and health of mine workers. I recommend actions when the company has problems. I develop the budget. I organize and control the communication and connection of all departments. My work is very important and hard, but I love it because I help my country and many people.
