

SL: We haven't forgotten about you !

Hi Kura,

I know that you are done with recording on Youtube and no longer devote so much time in Social Media.

However, what you have done for Polish calisthenics is a huge achievement.

Therefore, I want to uphold your good name and remind people of you and your brand.

These days, short form content has great power when it comes to advertising your products. Most companies small and larger advertise on TikTok, or on Instagram, among others. Your account is well developed, but we can raise its interest.

I have created a sample ad for you, which I attach as an attachment.

If you like this form, let me know and I will provide you with more details.

Kind regards,

Kacper Semik
