

Privacy Policy

Last updated: April 16th, 2018.

We at GavaGava building our Apps for our own children. Our Apps are designed for young kids and we take privacy seriously. GavaGava is committed to protecting your privacy.

GavaGava does not collect any personal data in our kids Apps.

Please note: if a parent posts personal information about themselves in a social media page, this data is made public for others to see. The parent is responsible for the disclosure of any such data in those social media pages. This Privacy Policy applies solely to the information collected by GavaGava online through our Products and does not apply to any other applications or services.

We work with third party analytics provider as Unity Analytics to help us provide you with the best service. Their respective Privacy Policies can be found at <https://unity3d.com/ru/legal/privacy-policy>.

Unity Analytics helps us to understand your use of our apps. In association with them, we may collect your unique device identifier, IP address, mobile phone carrier, game progress, time spent playing. This information is for internal use only and can't be shared. We may use cookies and web beacons to help deliver and analyze our web site.

Non-personal Information is collected in order to use for:

- analytical purposes in order to improve our products and providing better content;
- bug-fixing purposes or increasing performance;
- improving interface and general user experience of our Apps.

GavaGava does not collect personally identifiable information about your online activities over time and across third-party web sites or online services. The GavaGava web site and apps do not employ technology that responds to browser signals that permit users to limit tracking. For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application. We may include links to third parties from our web site or services. GavaGava isn't responsible for these companies and including a link to them doesn't mean that GavaGava endorses them. So be sure to check their privacy policies if you decide to visit them.

GavaGava might decide to accept advertisements from third-party ads networks which may be displayed in our Kids Apps and we might cross promote our other products or the products on our related companies. These Third Parties ad networks are carefully selected to preserve compliance with applicable privacy laws. Note that if the User of the Kids Apps clicks on any of these advertisements, the User will leave our Kids Apps and go to the advertisers' site the User selected, and the advertisers may use cookies or any other other web-tracking technologies. We recommend that you, as the legal guardian of a Kid,

review the terms of use and privacy policy for any advertiser with whom you and/or the User of the Kids Apps are interacting before doing so. Their privacy policy, not ours, will apply to any of those interactions. Also GavaGava may advertise other GavaGava Apps within the Kids Apps. Such advertisements are not directed towards specific Users but are rather broadly posted onto random GavaGava Apps.

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us:
