

Hello shop students. I have missed you guys and like you I am a little bored here at home. I look forward to getting back in the shop and normalcy but for the time being I have created a google classroom. I am hopeful you all have any technology issues sorted out and know that the district can help if you need anything. For now I have just posted a couple videos but there will be more to come in the future. What I need students to do is sign up for the class.

**Class code- 4la2icw**

**\*Disclaimer\***

As most of you know I am not the best with technology but I am working to get better so please be patient with me. Obviously class will look a lot different but I think just reconnecting with each other should be good for all of us. Please sign up when you have some time and check out videos!

Thanks, Mr. K
