

# Telos Workshop – Meaning, Magic & Miracles

Sibiu, Romania | 26–28 September 2025

## Overview

Join us for an immersive, in-person retreat to uncover and work with your own **Telos** — your “True North” - Your Inner Compass. In Greek, *Telos* means “the end in mind” — the ultimate meaning and purpose of any thing. For each of us, it is the guiding star that informs every decision, action, and experience in life.

**In this workshop we will explore:**

- Why are we here?
- What is the meaning and purpose of my life?
- How does it all work?
- How can I best express my purpose in my daily life?

### Why it matters:

Clarity about your Telos supports you to live a healthy, fulfilled, and meaningful life.
