

October Newsletter

Before School our schedule is as follows: 7:00-7:30 all start in gym. 7:30- 8:00 half go to the library (Clough) Tech/Music room (Memorial) and the other half are playing games in the cafeteria. At 8:00 we swap rooms, so the students get 3 different things to do each morning. 8:35 we wash hands and grab our belongings to begin our school day. With limited staff it's not safe for us to go out to the playground. Breakfast at Memorial starts at 8:00 a.m. Clough sadly we must wait till school is ready to serve breakfast at 8:45. If you pack their breakfast from home, they will eat at 8:00 a.m. We have been coloring, playing Rat a Tat Cat, Chess, Sleeping Queens, Legos, Friv computer games, basketball, jump ropes, stompers and always a dance party. Fun learning new names too!

After School we start the day with attendance, then right into snack. After snack we do homework/ reading for 15 minutes a day. It is helpful for them to carry their own books as we are finding they are all reading at different levels. We will help the ones that need it. Once done with reading / homework the After School group make into 3 smaller groups with one being on the stage in cafe, 116, (Clough) computer (Memorial), and Gym. Once Enrichment starts space will get limited but could use space on the second floor. Like Before School, your child will get to experience a little bit of everything each day, we rotate every half hour. If we don't have the gym due to enrichments, we may end up on a playground if we have enough staff to do this. So, one group is always an active group to keep moving.

New this year the school is enforcing no hats and hoodies on heads. Please remind your children they can wear hoodies just remove the hood/ hat when entering the building. Cell phones and smartwatches are off when in the building.
