

Hofstra Mu Kappa Receives Sixth consecutive Honors Chapter Award from Gamma Theta Upsilon Geography Honors Society - 6 Sep. 2020

Dr. Kari Jensen: I just wanted to share this nice message from Susy Ziegler, President of Gamma Theta Upsilon (GTU), the international geographical honor society:

"Dear Dr. Jensen:

Congratulations on another banner year for the Mu Kappa Chapter of Gamma Theta Upsilon! The Awards Committee, chaired by Dr. Karen Johnson-Webb, recommended Mu Kappa for the Honors Chapter Award to recognize your accomplishments in 2019–2020!

As a recipient of the GTU Honors Chapter Award, Mu Kappa may display the 2020 honors medal on your website and Facebook page or other social media."

A special thanks to past president of Mu Kappa, Sophia Hadeed, who organized the Trinidadian diversity dinner in Dec. 2019 and who together with Margaret Engel and Ligia Clara lead the induction ceremony in April!

Also, a special thanks to Mu Kappa's director of events, Dr. Craig Dalton, who organized talks by three Geographers at Geography Awareness Week at Hofstra in Nov. 2019: Dr. Emma Fraser (Lancaster University), Dr. Clancy Wilmott (UC Berkeley), and Dr. Jim Thatcher (University of Washington, Tacoma).

This is the sixth consecutive year that Mu Kappa received the chapter award! Congratulations to all our 158 members of Mu Kappa!
