3. Прочитайте текст и письменно ответьте верно ли утверждение.

What does a successful person look like?

To be a successful person, it is not necessary to have rich parents, famous friends and to be a genius in some area. Any person can do everything himself without any help. Perseverance and perseverance in achieving a goal, good education, passion for something or other are the key points for a person who wants to achieve serious success.

To be a successful person you need to know your own worth - your body, mind, spiritual world. A successful person emanates immense energy, radiance is the life force, which is achieved through regular work on oneself. This energy can give you a good physical shape, taking care of your health and proper care for your appearance.

A successful person has a beautiful appearance, good health, he is self-confident and satisfied with himself. Such a person is a bright individuality, he attracts people to himself, conquers them with his charm, which cannot be forgotten. A successful person is always cheerful and cheerful, work gives him pleasure.

To be a successful person you have to show and observe a number of requirements to yourself, not least of which is your appearance. Our life in the majority consists of dialogue with other people and on how other people concern you, very much depends. If you do not follow this rule, then, as you look, hardly anyone will want to deal with you. Neat, fashionable clothes, well-groomed hair, nails and skin, clean shoes and a pleasant smell coming from you are all necessary attributes of a successful person.

Attractive appearance is a matter of concern not only for women, but also for men, perhaps even to a large extent. In today's world of tough competition, a man must understand that a good form and appearance, necessary components of success.

Therefore, every person from childhood and throughout life needs to develop a positive attitude towards himself and the world around him. Continually learn and improve, turn all useful information into a real experience.

The first step to achieving success is to look at oneself from the outside. Try to answer the questions: "How do I look? How do I feel? Do I like people?" Do not dissemble before yourself, answer as truthfully as possible, and better write down

the answers on paper. This will help you to more fully assess the current situation and correctly draw up a program of actions.

Give yourself a strict assessment of how much you like yourself and others. Do you have a clean skin, beautiful hair or a slender figure?

Do not forget your physical health. How much energy do you have, how quickly do you get tired, do you sleep well, how do you feel when you get up in the morning?

Think about your attitude to life in general. Do you like your job? Are you happy to meet the day? Are you satisfied with your life?

Analyze your answers and make an action plan whose main goal is to become a successful person. Set real intermediate tasks and mark them. Each step passed on the way to the main goal will give you great satisfaction, and you will soon notice how your appearance and spiritual world will change for the better, the attitude of people towards you. And you will feel much more confident in your life.

True or false:

1. To be a successful person, it is not necessary to have rich parents, famous friends and to be a genius in some area.
2. A successful person has a beautiful appearance, good health, he is self-confident and satisfied with himself.
3. A successful person may not pay attention to his appearance.
4. Every person from childhood and throughout life needs to develop a positive attitude towards himself and the world around him.
5. The first step to achieving success is to look at oneself from the outside.
