

Did a friend do a good deed for you?

By all means, pay it forward.

Did they compliment you for things you do?

By all means, pay it forward.

It may have been simply a kind or gentle word

By all means, pay it forward

These kindnesses most likely expected nothing in return

But by all means, pay it forward

These kindnesses need not stop with you

By all means, pay it forward

You will find that when you pass them on to others

To any of your many sisters and brothers

The biggest reward when you do

Ironically will be paid to you

So do not let these good come to an end?

For the love you receive means less than what you send

So my friend, keep this in mind

By all means, pay it forward

In the month of November Scout Troop 1009 would like to make

November

“You Been Served”

Month

This is very easy

***You service 2 Neighbors and in return they will service 2 more.
Yard work, taking them a treat, helping them with kids, putting up
Christmas lights, anything that would bring a smile to there face.***

***Once you have done this give them a copy of “You have been
served” and have them hang it on their door.***
