Dear Parent/Guardian(s) & Students of the Class of 2030:

We are excited to welcome the class of 2030! Graduating from junior high school presents students with many choices and opportunities for new beginnings. This letter will provide dates of several important events to support your student's start at Riverside Brookfield High School.

In order to help us determine the most appropriate classes for our students' first year at RB, we require ALL incoming 9th graders to take a pre-ACT placement exam. Fortunately, the feeder schools have graciously agreed to allow us to administer the placement exam in their buildings on the following dates:

Gross: November 4th | **Hauser:** November 5th | **Komarek:** November 6th

On Saturday, November 15th we will provide placement testing at RB for students who reside in our district but do not attend one of our feeder schools. Please contact April Englehart at engleharta@rbhs208.net to schedule your student.

All students must complete the online registration form by Friday, October 10, 2025 in order for their placement exam to be scored. Please refer to the third page of this letter for instructions on how to complete the online form.

On **Wednesday, January 14, 2026, at 6:00 p.m.** we will hold our **Future Bulldog Night** for important pre-registration instructions and information on extra-curricular activities. At this event, families will receive results from the placement exam, recommended placements for students' freshman year, and have an opportunity to speak with Division Heads representing each department. Families will also receive information about the **registration process, course selections, and registration appointment times for freshman registration on Saturday, January 24, 2026.**

On **Wednesday, January 14, 2026** students and their families will also learn about the extracurricular activities available at RB and meet current participants. The Field House will be set up to showcase various clubs, activities, and athletic programs. Students and families can speak with teachers, coaches, sponsors, and administrators about our offerings at RB. Parking will be available off Golf Road in the faculty lot and on Rockefeller, north of the football field. Please enter the building through the main doors marked "A" just east of the football field.
