

2026 Event Host Guidelines - Target

The Archery Manitoba Target Event Host Guidelines have been developed to help clubs understand what is expected when hosting an Archery Manitoba/Archery Canada-registered event. The guidelines clarify registration timelines and event formats, helping to plan and organize effectively.

Archery Manitoba provides the following services to member clubs:

- Schedule events on the Provincial Events Calendar
- Register events with Archery Canada & World Archery
- Coordinate the assignment of judges (ratio of 1 judge to 15 Archers)
- Provide scorecards
- Submit results to Archery Canada and publish them on the Archery Manitoba website.
- Tournament equipment, such as target butts and stands, timers, and displays, as available.
